CHAPTER 5: OUTCOMES DESCRIPTION

Details of the Socio-Economic Survey of the Village/Habitation. Attach the questionnaire prepared for the survey.

Social economic survey of Habitation:-

Kuridingi village is economically and socially stable village. The economic conditions of Habitation are very fine as some work for living 2 to 3 families financially struggling as their disability. The Habitations is socially very fine that they have coordination among them. They used to live in segment according to their communities. They collectively celebrate festivals grandly.

Questionnaires:-

- 1) write Households details?
- 2) what is source of income to your family?
- 3) Is the house you are living in is owned or rented?
- 4) what is community & religion?
- 5) IS their availability of Agriculture land?
- 6) Do you have water facilities?
- 7) Do you have own toilets?
- 8) Do you have white ration card?
- 9) Do you have TV?
- 10) IS their Internet available at home?

Describe the problems you have identified in the community

Problems in community :-

- 1) There is high chance of floods to this village during heavy rains as gets full of rain water and surplus water flows into community.
- 2) Treatment of upper class community people with lower class is not fine.
- 3) Communities are still following useless superstitions.
- 4) Some of people are not using their toilets and are having open defecation.
- 5) As per global e-waste data, 44-48-million-ton global electronic waste is being generated annually.

Short-term and long term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

Solution for the problems:-

→ As many old-aged and a few middle-aged peoples in community are not doing any work.

If any work is provided to them as per their capabilities, the productivity increases and it tends to rise the community economy.

→ Some streets are not having street lights.

→ Government should take necessary actions to end the illegal land dealings by brokers on this community.

→ The solution is to stop to pass through a community.

Description of the Community awareness programme/s conducted w.r.t the problems and their outcomes.

Community Awareness programmes:-

on the community awareness programmes were conducted in kuridingi village on topics

- 1) E-waste Management
- 2) Health and Hygiene
- 3) Importance of education.
- 4) Awareness of superstitions
- 5) Rural Digitalization

E-waste Management refers to properly disposing and managing electronic waste, including old or discarded electronic gadgets such as phones, computers and Managing Telephones. The negative impact of electronic waste on the environment and human health and Hygiene by minimizing pollution, conserving natural resource and energy and promoting sustainability.

education awareness programme conducted to let know community about the importance of education of every person.

To remove superstitions, a programme was conducted to aware people that there is no use of superstitions. To digitalize the village, 'Rural Digitalization' programme was conducted to aware the importance of digitalization is day to day life.

CHAPTER 6: RECOMMENDATIONS AND CONCLUSIONS OF THE MINI PROJECT

Recommendations:-

- Communities should leave superstitions.
- Women population should be ratio to be raised
- Know a product's lifespan before you buy it.
- Spread the word about E-waste
- Maintain your current electronic equipment.
- Have cooperation among communities.
- Don't give up life for debts and useless pride in communities.

Conclusion :-

E-waste management is a critical issue that must be addressed in order to protect the environment and human health.

For example, lead in e-waste can contaminate soil and water resources, causing serious harm to both wild life and human populations.

- Main livelihood for most of them is daily-waged labour.
- Somebody has own houses.
- Major irrigation sources are Bore wells, own toilets, drinking water facilities, etc.
