WEEKLY REPORT

WEEK - 1 (From Dt. 9/5/23.. to Dt. 16/05/23.)

Objective of the Activity Done:

To collect Demography data

Detailed Report:

In this first week, our mentors to do community service project in Ananthapallistreet which is under in Srikakulam municipal corporation Andhra Pradesh. We selected a topic "E-waste management".

Population and other aspects like age structure, sex ratio, literacy rate, occupational composition, family type, are the requirements under this topic.

In this first week, we collectively went to the community to overlook the conditions and situations in village. What we found in the village are → In community has own houses, own toilets and underground drinking water system.

In the first week, we collectively surveyed 25 houses in villages and collected data which are required to make demographic profile of ward. From the first week data, we had a report that migrations are gradually increasing in ward to community.

WEEK - 2 (From Dt. 17/5/23. to Dt. 24/5/23.)

Objective of the Activity Done:

Surveying & collection Demographic Data

Detailed Report:

In this second week, we continued surveying the remaining houses in Adhivarampeta Street. Our survey had ended in the weekend.

When compared to first week, we had lot of experiences with villages while conducting survey in community.

The experiences are:-

- Communities are still believing superstitions.
- They do not have awareness on the social media news. They are following and knowing fake news.
- During survey, we have seen only small children, elders aged above 30 years and old aged people.
- Many young people are went to the far places for education and employment.
- Still people are living in segregations as per their communities in habitat.
- There are 6 families who don't work, but leading their life with pension amount provided by government.
- Agriculture cattle, rearing & daily waged work are sources of income.
