Details of the Socio-Economic Survey of the Village/Habitation. Attach the questionnaire prepared for the survey.

Social - economic survey of Habitation :-

Ananthapalli street is economically and socially stable village. The economic conditions of Habitation are very fine as some work for living 2 to 3 families financially struggling as their disability. The Habitation is socially very fine that they have coordination among them. They used to live in segments according to their communities. They collectively celebrates festivals grandly.

Questionnaires :-

- 1) write Household details?
- 2) what is source of income to your family?
- 3) is the house you are living in the owned or rented?
- 4) what is community & religion?
- 5) is their availability of Agricultural land?
- 6) do you have water facilities?
- 7) do you have white ration card?
- 8) do you have TV?
- 9) do you have own toilets?
- 10) is their internet available at home?

Describe the problems you have identified in the community

Problems in community:-

- 1) There is high chance of floods to this village during heavy rains as gets filled of rain water and surplus water flows into community.
- 2) Treatment of upper class community people with lower class is not fine.
- 3) Communities are still following unuseful superstitions.
- 4) Some of people are not using their toilets and preferring open defecation.
- 5) As per global e-waste data, 44-48-million-ton global electronic waste is being generated annually.

Short-term and long term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

Solution for the problems :

- > As many old-aged and a few middle-aged peoples in community are not doing any work. If any work is provided to them of their capabilities, the productivity increases and it tends to rise the community economy.
- > some streets are not having street lights.
- > Government should take necessary actions to end the illegal land dealings by brokers on this community.
- > the solution is to stop to pass through a community.

Description of the Community awareness programme/s conducted w.r.t the problems and their outcomes.

community Awareness programmes :

on the community Awareness programmes were conducted in Ananthapatti Amudlavalela on topics.

1. E-waste management
2. Health and Hygiene.
3. Importance of education
4. Awareness on superstitions
5. Rural Digitalization

E-waste management refers to properly disposing and managing electronic waste, including old or discarded electronic gadgets such as phones, computers and telephones. The negative impact of electronic waste on the environment and human health and hygiene by minimizing pollution.

conserving natural resource and energy and promoting sustainability.

education awareness programme conducted to let know community about the important of education to every person.

to remove superstitions, a programme was conducted to aware people that there is no use of superstitions. To digitalize the village 'Rural digitalization' programme was conducted to aware the importance of digitalization is day to day life.

CHAPTER 6: RECOMMENDATIONS AND CONCLUSIONS OF THE MINI PROJECT

Recommendations :

- communities should leave superstitions
- women population should be ratio to be rised.
- know a product's lifespan before you buy it.
- spread the word about e-waste.
- maintain your current electronic equipment.
- Have cooperation among communities.
- Don't give up life for debts and useless pride in communities.

Conclusion :

E-waste management is a critical issue that must be addressed in order to protect the environment and human health.

For example, lead in e-waste can contaminate soil and water resources, causing serious harm to both wild life and human populations.

→ main livelihood for most of them is daily-waged labour.

→ somebody has own houses.

→ major irrigation sources are bore wells, own toilets, drinking water facilities etc.
