Detailed Report:

In this second week, we continued surveying the remaining houses in Huda Colony Street. Our survey had ended in the weekend.

When compared to first week, we had lot of experiences with villages while conducting survey in community.

The Experiences are:-

- Communities are still believing superstitions.
- They do not have awareness on the social media news. They are following and knowing fake news.
- During survey, we have seen only small children, elders aged above 30 years and old aged people.
- Many young people are went to far places for education and employment.
- Still people are living in segregations as per their communities in Habitat.
- There are 6 families who don't work, but leading their life with pension amount provided by government.
- Agriculture, cattle rearing & daily waged work are sources of income.

Describe the problems you have identified in the community

problems in Community:-

- 1) There is high chance of floods to this village during heavy rains as gets filled of rain water and surplus water flows into community.
- 2) Treatment of upper class community people with lower class is not fine.
- 3) Communities are still following unuseful superstitions.
- 4) Some of peoples are not using their toilets and preferring open defecation.
- 5) As per global e-waste data, 44.48-million-ton global electronic waste is being generated annually.

Short-term and long term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

Solution for the problems:-

- As many old-aged and a few middle-aged peoples in Community are not doing any work. If any work is provided to them as per their capabilities, the productivity increases and it tends to rise the Community economy.
- Some streets are not having street lights.
- Government should take necessary actions to end the illegal land dealings by brokers on this Community.
- The solution is to stop to pass through a Community.

Description of the Community awareness programme/s conducted w.r.t the problems and their outcomes.

Community Awareness programmes:-

on the Community Awareness programmes were conducted in Hudco colony street on topics:

- 1) E-Waste management
- 2) Health and Hygiene
- 3) Importance of education
- 4) Awareness on Superstitions.
- 5) Rural digitalization.

E-Waste Management refers to properly disposing and managing electronic waste, including old or discarded electronic gadgets such as phones, computers and telephones. The negative impact of electronic waste on the environment and human health and hygiene by minimizing pollution, conserving natural resource and energy and promoting sustain.

Education awareness programme conducted to let know community about the importance of education to every person.

To remove superstitions, a programme was conducted to aware people that there is no use of superstitions. To digitalize the village, 'Rural digitalization' programme was conducted to aware the importance of digitalization is day to day life.

CHAPTER 6: RECOMMENDATIONS AND CONCLUSIONS OF THE MINI PROJECT

Recommendations:-

- Communities should leave Superstitions.
- Women population should be ratio to be raised.
- Know a product's lifespan before you buy it.
- Spread the word about E-waste.
- Maintain your current electronic equipment.
- Have Cooperation among Communities.
- Don't give up life for debts and useless pride in Communities.

Conclusion:-

E-Waste Management is a critical issue that must be addressed in order to protect the environment and human health.

For example, lead in e-waste can contaminate soil and water resources, causing serious harm to both wildlife and human populations.

- Main livelihood for most of them is daily-waged labour.
- Somebody has own Houses.
- Major Irrigation Sources are Bore wells, own toilets, drinking water facilities etc.
