This Sachivalayam School internship report is the result of an end of a way of four months. It would not have been possible without the participation assistance of numerous brave and courageous people along the way. Thus, I have to thank them all first and foremost, I would like to give special gratitude to my parents who give me every opportunity to keep my step ahead.

I am debeted to my college teachers and the principal for their vision, encouragement and enduring contagious interest in the internship

our science thanks to our director and principle of government degree College Cment Srikakulam, for providing us an opportunity to take up this internship.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

This report is a result of 12 weeks' internship during the internship it is required to study the organization department of the organization and critically evaluate the theoretical aspects of the organization in the practical situation. I got an opportunity to get practical knowledge about the village secretariats in Andhra Pradesh. So to gain the first of practical exposure and for getting practical knowledge about I joined Pedapadu, Sachivalayam - I during this time period. I gather all necessary information about village secretariats.

Effort have been made to compile this report in such away that activities & its silent features not only for students but also for the laymen. I divide this report into different aspects.

In this part all government related services are not utilized by people in fruitful manner; that is the main reason to establishment of gramasachivalayam in Andhra Pradesh.

In the date of oct 9, 2019 Government Started gram grama Sachivalayam across the Andhra Pradesh. During this 3 years period, nearly they give 5 crores services to the people across Andhra Pradesh. Total 12 functionaries are there in Sachivalayam to serve the people in their respectively disciplinary.

At first, I must say that this report is designed so curiously about gram grama Sachivalayam work in Andhra Pradesh. During this time period I learn so many things related to time management, team work, leadership qualities, those qualities so many helpful to me to survive in an organization.

Today is my first day of job. After taking bath, I have applied makeup. Getting ready to go to office with smile. I am going to be a part of implementation of the high performance government. We will be

dealing with citizens who come and visit us. They are patient, simple, the problem they faced due to which I expect will be solve the百姓 benefit and improve

the overall business environment by keep up with the latest technology. Infrastructures of gram grama Sachivalayam is very good. It has a well equipped office building with facilities of computer, internet, telephone, and other

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Context: → This first day on my internship was the day that I will never forget in my life. And this is because of experience I acquired which enables me to learn more about the working environment instructed us how we started have during of our internship period. My supervisor told me how to behave and to be confident I was oriented very well because I had to start working the next day.

My Role: → My self I was considered as a new comer in the organization. I had to first introduce myself to fellow workers, which I did out any problems my responsibility. I was trained by my supervisor and other staff depending on task to be performed.

Performance: → The working environment was so exciting. My friends helped me to cope-well with all challenges at work and they are always there for me. Total 12 functionaries are there in sachivalayam. There was very helpful to improve my communication skills in real life environment.

Describe the real time technical skills you have acquired

I have tried to perform all efficiently and effectively to avoid any bad repetition that could occur and lead to wastage of time but I think practice more about what I have learn in theory, I expected to practice it during internship. the way in which increase has changed as a result of internship experience.

Time punctuality is the most important and emphasized thing, which helps in fulfilling their goals and objectives. Time management as a result of internship I learnt how to perform difficult responsibilities in short time confidence is a time has to be confident especially a work field. Socializing is the help and assistant rendered to intern by supervisor and other colleagues the power of internship. Ethical behaviour in work area and know how handle customers with different attitude and behaviours and working spirit - creating good relationship with people and good communication skills.
