CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

During Internship:-

Context:- This ~~is~~ first day on my Internship was the day that I will never forget in my life. And this is because of experience I acquired which enables me to learn more about the working environment. I instructed us how we should behave during of our internship period. My supervisor told me how to behave and to be confidential. I was oriented very well because I had to start working the next day.

⇒ MY ROLE:-

Myself I was considered as a new comer in the organization. I had to first introduce myself to fellow workmates - which I did with out any problems my responsibility. I was trained by my supervisor and other staff depending on task to be performed.

PERFORMANCE:-

The working environment was so exciting. My colleges helped me to cope - well with all challenges at work and they are always

There for me TOTAL 11 functionaries are there in Sachivalayam

PANCHAYAT SECRETARY, DIGITAL ASSISTANT, WELFARE ASSISTENT,
ENGINEERING ASSISTANT, ENERGY ASSISTANT, SURVEY ASSISTANT,

VRO, ANM, MAHILA POLICE, AGRICULTURE ASSISTANT,

VETERINARY ASSISTANT, There are very helpful to improve my skills in real life environment.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

I have tried to perform all duties efficiently and effectively to avoid any bad repetition that could occur and lead to wastage of time but I didn't practice more about what I have learnt is theory. I expected to practise it during internship and the way in which internise has changed as a result of internship experience.

The punctuality is the most important and emphasized thing which help in fulfilling their goals and objectives. Time management As a result of internship a trainee learnt how to perform difficult responsibilities in short time. Confidence is a trainee has to be confident especially a work filled.

socializing is the help and assistance rendered to intern by supervisor and other colleagues the power of friendship ethical behaviour in work area and know how handel customers with different attitude and behaviour and working spirit. creating good relationship with people and good communication skills.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

→ know how to handle customers with different attitude and behaviours

→ working spirit

→ Greeting good relationship with people

→ Good communication skills

→ Ethical behaviour in work area

→ socializing : the help and assistance rendered to intern by supervisors and other colleagues the power of friendship.

→ confidence : A trainee got used with the external environment of school and a trainee has to be confident especially on work field

→ punctuality : This is the most important and emphasized thing which help in fulfilling their goals and objectives

→ time management : As a result of internship a trainee learnt how to perform different responsibilities in short time.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

In this organisation so many different type of people are coming how this organization works are dealt with them. They are very well in communication. So I learn so many things related to the communication skills and I was improved also and also improved in ethical behaviour in work area. And know how to handle customers with different attitude and behaviour, work spirit.

- learnt to control emotions with speaking with others
- observe other people and interact with each other and develop communication and practise our communication.
- Be an active listener and avoid distracting others.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The working environment was so exciting my friends helped me to cope well with all challenges at work and they are always there for me.

participation group work is very well and I gained some relationships with Sachivalayam department as

- * Establishing interpersonal relationship
- * communication skills with person outside organization
- * communication with higher officials
- * time management skills
- * leadership qualities

I learned so many leadership qualities I utilizes the skills in very effective manner these things are very helpful in many real life. I improve my skills in ~~real~~ life environment

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

In my opinion, Sachivalayam / volunteer system already proved to be efficient way of handling government schemes right from application receiving to finalizing beneficiaries towards public welfare schemes is progressing at fast hassle free manner that never done before and it would be have not possible without Sachivalayam volunteer staff.

The technological development I have observed and relevant to the subject area of training

Data analysis, web development, computer programming, languages, financial management, book keeping & design writing communication, good relationship, team work leadership and managements

This developments of the technological technical is computer high programming process and high speed internet. the work depend on the speed of work to do the technological development of the Sachivalayam departments in my internship managements to process the technology to developed the feature to solve as possible as soon if the qualification of the workers to keep our prove this mindset later to keep improve to technology developed on the department.
