SEMESTER INTERNSHIP

Designed & Developed by

**ANDHRA PRADESH
STATE COUNCIL OF HIGHER EDUCATION**

(A STATUTORY BODY OF GOVERNMENT OF ANDHRA PRADESH)

PROGRAM BOOK FOR
SEMESTER INTERNSHIP

Name of the Student: Pooja K. K. Behara

Name of the College: Government Degree College (J. L. M.)

Registration Number: 202200123005

Period of Internship: 4 Months From: 24/12/21 To: 19/3/22

Name & Address of the Intern Organization: Rajiv Gandhi Institute
of Medical Sciences (RIMS) G.G. 4
Belgaum, Karnataka

Ambedkar University
YEAR

An Internship Report on

Medical Lab Internship

(Title of the Semester Internship Program)

Submitted in accordance with the requirement for the degree of

bsc. BT21

Under the Faculty Guideship of

Dr. Y. Vamsi Kumar Sir

(Name of the Faculty Guide)

Department of

Biotechnology, Govt Degree College (men)

(Name of the College)

Submitted by:

B. K. S. S. S. S.

(Name of the Student)

Reg.No: 2022001123005

Student's Declaration

I, B. Kesava Bhaba a student of _____
Program, Reg. No. 2022001123005 of the Department of Biotechnology, G.D (M) & LM
College do hereby declare that I have completed the mandatory internship
from 24/12/22 to 19/3/23 in RMC Hospital (Name of
the intern organization) under the Faculty Guideship of
Dr. Vamsi Kumar Srid (Name of the Faculty Guide), Department of
Biotechnology, Government degree College (M) & LM
(Name of the College)

B. Kesava Bhaba
(Signature and Date)

RAJIV GANDHI INSTITUTE OF MEDICAL
SCIENCES, SRIKAKULAM – 532001 (A.P)

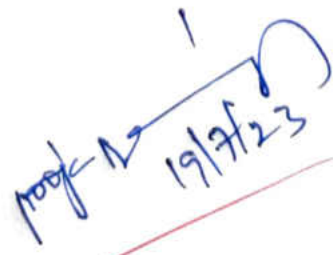

This is to certify that B. Kesava Behara (Name of intern) of
Govtment degree college (men) Srikakulam (Name of the college)
Underwent internship in Rajiv Gandhi Institute of Medical Sciences
— (Name of the Intern Organization) from 24/12/22 to 25/02/23
Timings 9Am – 1pm has successfully completed the *internship* for
Four Months during the above period.

The overall performance of the inter
during his/her internship is found to be

Professor and HOD
PROFESSOR & HOD
Department of Microbiology
Department of Micro-Biol

→ The successful completion of this internship report would not have been possible without the support & assistance of many individuals and organizations.

I feel immensely blessed to have gotten this during course of my internship program of two months.

I would like to take this opportunity to offer my earnest administration to each and every one of them involved in this programme.

I am indebted to my college teacher and principle for their division, encouragement and enduring interest in the internship. and my special thanks must be given to the teachers and Lab Technician students of government general hospital, Sirikatalam, for their feed back, which achieved my skills and development.

My last and most important thanks like to all those made this report possible and become a reality with their kind assistance.

Contents

Chapter 1 : Executive Summary.

Chapter 2 : Overview of the Organisation

Chapter - 3 : Internship part

Chapter - 4 : Weekly Report and activity log;

- ✦ Activity for Week-1 & Weekly report
- ✦ Activity log for week-2 & Weekly report
- ✦ Activity log for week-3 & weekly report.
- ✦ Activity log for week-4 & weekly report

Chapter - 5 : Outcomes Description :

- Describe the real-time Technical skills you have acquired.
- Describe the Managerial skills you have acquired.
- Describe how you could improve your Communication skills
- Describe how you could enhance your abilities.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

I have allotted 4 Months internship in the Medical department by the government general Hosp. A.P.

After allotment I went to join at government general hospital Saikakulay. after My Joining I was assigned different works at different Labs. by test madam of Microbiology for duration my period. I learnt a lot from Dr. Tarisha madam, from microbiology Venkataramana Madhuv Sir from (ICU), & Ramakrishna sir from biochemistry.

practical knowledge we again from Lab technicians They showed us demonstration I spent most of the time in Labs, we involved in conducting test. I had conducted test like blood samples, from patients for the test. from this work of internship in Medical department.

I had improved a lot by knowing about various medical tests and how to treat patients with patience.

page 12

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

I worked in the medical department as a intern in government general Hospital Srikakulam, medical department plays an important role in every sector. I observed many things in the hospital different categories faculty are serving the patients very well. My work and experience as a intern in hospital was very appreciable, I interacted with my senior faculty members with honorably. I spend nearly 6 hr with the faculty in the lab of the hospital & I got to know the various medical college machines which are used for various stages.

The Organisation which I had worked in medical field, the government general hospital was well organised with facilities & well worked faculty with well mannered behaviour.

In my point view the organisation I had worked was very good with full of patience with 100%. Well treated & with well experienced & alcoholic doctors & nurses.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

I worked in government general hospital, Srikanthapuram, in the department of Medical. I worked in the lab. I did many Tests like blood count, gram staining process, and Total etc...

In the lab, they are two sectors of departments are held they are Microbiology and Chembiochemistry.

They were many Machines with highly sophisticated Techniques and tools are there for conducting various test with full of alertness and with full of self caring during collection of blood samples.

I conducted many tests like blood sample determination Under the supervision of my Miss (S) Madams. After the work we used to clean our hand very well with sanitizers.

Due to this internship I go to know the various drug and various tests for it to conduct and report them with modern Superficial technology.

ACTIVITY LOG FOR THE FIRST WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	We have joined in the given Internship Organisation in Government General Hospital	We observed the surrounding and Hospital inside	Ali
Day - 2	Interaction meeting with the staff and lab. Technician about the disposal waste in the different dust bins.	Learned how disposal waste in different colour bins	Ali
Day - 3	They divided students into different departments. I was allotted in blood bank. I observed cross matching & blood grouping	I learn how to do blood grouping & cross matching + separation of platelets	Ali
Day - 4	I was allotted microbiology lab it is also known as culture lab	I observed the instrumentation in the microbiology lab.	Ali
Day - 5	I was observed to the blood sample ward	I observed the process of taking of sample blood.	Ali
Day - 6	My daily activity done at sample collection.	I collected the sample from the patient.	Ali

WEEKLY REPORT

WEEK - 1 (From Dt. 27/12/22 to Dt. 31/12/22)

Objective of the Activity Done:

Detailed Report:

In this day, we have joined in the given internship organisation i.e. GGH. We observed the surroundings and Hospital inside.

In this second day, interaction and meeting with the staff and lab-Technicians about the disposal waste in the different dust bins, learned how disposal waste in different bins.

In this 3rd day, they divided students into different departments I was allotted in the blood bank. I observed cross matching and blood grouping. I learn how to do blood grouping & cross matching & separation of platelets.

In this 4th day, I was allotted microbiology lab it is also known as culture lab. I observed the instrumentation microbiology lab.

In this 5th day I was observed to the blood sample ward. I observed the process of taking of sample blood.

In this 6th day, I daily activity done at sample collection I collected sample from the patient.

ACTIVITY LOG FOR THE SECOND WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I was attended in micro-biology Lab in hospital	I observed the staining test in microbiology lab.	<u>Asl</u>
Day -2	I was attended in the Microbiology Lab in the hospital	I observed the process of gram staining test.	<u>Asl</u>
Day -3	I was attended in the microbiology Lab in hospital	I observed the practising of gram staining process	<u>Asl</u>
Day -4	I was attended in the microbiology Lab in hospital	I observed the practising of gram staining test.	<u>Asl</u>
Day -5	I was attended in the microbiology Lab in hospital	I observed the practising of gram staining process.	<u>Asl</u>
Day -6	I was attended in the microbiology in hospital.	I observed the practising of gram staining test.	<u>Asl</u>

WEEKLY REPORT

WEEK - 2 (From Dt. 2/01/23 to Dt. 7/1/23)

Objective of the Activity Done:

Detailed Report:

In this entire 1st day, I was attended in the microbiology lab in hospital. I observed the staining test in Microbiology Lab.

In this 2nd day I was attended in the microbiology lab. In hospital, I observed the process of gram staining test.

In this 3rd day, I was attended in microbiology lab in hospital, I observed the practicing ~~gram staining~~ test.

In this 4th day, I was attended in the microbiology lab in hospital I observed the practicing gram staining test.

In this 5th day I was attended in microbiology lab in hospital I observed the ~~practising~~ gram staining test.

In this 6th day, I was attended in microbiology lab in hospital, I observed gram staining test.

ACTIVITY LOG FOR THE THIRD WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital	I observed the process of blood sample collection	<u>AY</u>
Day - 2	I was attended in the microbiology lab in hospital	I observed the process of blood sample collection.	<u>AY</u>
Day - 3	I was attended in the microbiology lab in hospital	I observed the process of blood sample collection	<u>AY</u>
Day - 4	I was attended in the microbiology lab in hospital.	I observed the process of blood sample collection.	<u>AY</u>
Day - 5	I was attended in the microbiology lab in hospital	I observed the process of blood sample collection.	<u>AY</u>
Day - 6	I was attended in the microbiology lab in hospital.	I observed the process of blood sample collection	<u>AY</u>

WEEKLY REPORT
WEEK - 3 (From Dt. 09/11/23 to Dt. 16/11/23)

Objective of the Activity Done:

Detailed Report: ~~I was~~ On 1st day, I was attended in the microbiology lab in hospital. I observed the process of blood sample collection.

In this 2nd day, I was attended in the microbiology lab in hospital. I observed the process of blood sample collection.

On 3rd day, I was attended in microbiology lab in hospital. I observed the process of blood sample collection.

In this 4th day, I was attended in Microbiology lab in hospital. I observed the process of blood sample collection.

On 5th day, I was attended in the Microbiology lab in hospital. I observed the process of blood sample collection.

In this 6th day, I was attended in the Microbiology lab in hospital. I observed the process of blood sample collection.

ACTIVITY LOG FOR THE FORTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital	I observed the culturing procedure of sputum test.	AY
Day - 2	I was attended in the microbiology lab in hospital	I observed the culturing procedure of sputum test.	AY
Day - 3	I was allotted in microbiology lab in hospital	I observed the culturing procedure of sputum test.	AY
Day - 4	I was attended in microbiology lab in hospital	I observed the instruments and procedure of blood agar test.	AY
Day - 5	I was attended in the microbiology Lab in hospital	I observed the blood agar test.	AY
Day - 6	I was attended in the microbiology lab in hospital	We have brief discussion of observation the blood agar test.	AY

WEEKLY REPORT

WEEK - 4 (From Dt. 17/1/23 to Dt. 24/1/23)

Objective of the Activity Done:

Detailed Report:

1st day, I was attended in the microbiology lab in hospital, I observed the culturing procedure of sputum test.

In 2nd day, I was attended in Microbiology lab in hospital, I observed the culturing procedure of sputum test.

In 3rd day, I was attended in the Microbiology lab in hospital, I observed the culturing procedure of sputum test.

I was 4th day, I was attended in the microbiology in hospital, I observed the instrumentation & procedure of blood agar.

In this 5th day, I was attended in the Microbiology Lab in hospital, I observed the blood agar test.

6th day, I was attended in the microbiology lab in hospital, I observed the brief discussion about blood agar test.

ACTIVITY LOG FOR THE FIFTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I was attended in the microbiology lab in hospital	I observed the sample collection for sputum test.	Ay
Day -2	I was attended in the microbiology lab in hospital	I learnt instruments and procedure about sensitivity Test.	Ay
Day -3	I was attended in the microbiology lab in hospital.	I observed the culture and results of sputum test.	Ay
Day -4	I was attended in the microbiology lab in hospital	I observed that the sample collected from the patient.	Ay
Day -5	I was attended in the microbiology lab in hospital	I observed the procedure of pus sample test.	Ay
Day -6	I was attended in the microbiology lab in hospital	I observed the pus sample test.	Ay

WEEKLY REPORT

WEEK - 5 (From Dt. 25/1/23 to Dt. 30/1/23)

Objective of the Activity Done:

Detailed Report:

1st day, I was attended in the Microbiology lab in hospital. I observed the sample collection for Sputum test.

2nd day, I was attended in the Microbiology lab in hospital. I learnt instruments and process about sensitivity test.

3rd day, I was attended in the Microbiology in hospital. I observed the culturing and result of the sputum test.

4th day, I was attended in the Microbiology lab in hospital. I observed that know pus sample collection patient.

5th day, I was attended in the Microbiology lab in hospital. I observed the procedure of pus sample test.

6th day, I was attended in Microbiology in hospital. I observed the procedure of pus sample test.

ACTIVITY LOG FOR THE SIXTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital	I observed the process of Ziehl Neelsen staining	AY
Day - 2	I was attended in the microbiology lab in hospital	I observed the procedure of Ziehl Neelsen staining	AY
Day - 3	I was attended in the microbiology lab in hospital	I observed the procedure of Ziehl Neelsen staining.	AY
Day - 4	I was attended in the microbiology lab in hospital	I observed the process of Ziehl Neelsen staining	AY
Day - 5	I was attended in the microbiology lab in hospital	I observed the process of Ziehl Neelsen staining	AY
Day - 6	I was attended in the microbiology lab in hospital	I observed the process of Ziehl Neelsen staining	AY

WEEKLY REPORT

WEEK - 6 (From Dt. 3/1/23 to Dt. 6/02/23)

Objective of the Activity Done:

Detailed Report:

1st day, I was attended in the Microbiology lab in hospital. I observed the process of Ziehl neelsen stain.

I was in 2nd day. I was attended in the Microbiology lab in hospital. I observed the process of Ziehl neelsen stain.

I was in 3rd day, I was attended in the Microbiology lab in hospital. I observed the procedure of Ziehl neelsen stain.

I was in 4th day, I was attended in the Microbiology lab in hospital. I observed the process of Ziehl neelsen stain.

I was in 5th day, I was attended in the Microbiology lab in hospital. I observed the instruments used in the Ziehl neelsen staining test.

I was in 6th day, I was attended in the Microbiology lab in hospital. I observed the process of Ziehl neelsen staining test.

ACTIVITY LOG FOR THE SEVEN WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital	I observed the washing of petri dish & test tubes in Microbiology	<i>AW</i>
Day - 2	I was attended in the microbiology lab in hospital	I learnt the washing of petri dish, test tube in Microbiology.	<i>AW</i>
Day - 3	I was attended in the microbiology lab in hospital	I learnt the washing of petri dish, test tubes in Microbiology.	<i>AW</i>
Day - 4	I was attended in the microbiology lab in hospital	I learnt the washing of petri dish test tube in Microbiology lab.	<i>AW</i>
Day - 5	I was attended in the microbiology lab in hospital.	I learnt the washing of petri dish, test tube in Microbiology lab.	<i>AW</i>
Day - 6	I was attended in the microbiology lab in hospital.	I learnt the washing of petri dish, test tube in Microbiology lab.	<i>AW</i>

Page 17 19/7/23

WEEKLY REPORT

WEEK - 7 (From Dt. 7/02/23 to Dt. 13/02/23)

Objective of the Activity Done:

Detailed Report:

2nd day, I was attended in Microbiology lab in hospital, I observed the washing of petri dish in Microbiology.

3rd day, I was attended in Microbiology lab in hospital, I learnt the washing of petri dish, test tubes in Microbiology lab.

4th

3rd day, I was attended in the Microbiology lab in hospital, I learnt the washing of petri dish, test tube in Microbiology.

4th day, I was attended in the Microbiology lab in hospital, I learnt the washing of petri dish, test tube in Microbiology lab.

5th day, I was attended in the Microbiology lab in hospital, I learnt the washing of petri dish, test tube in Microbiology lab.

6th day, I was attended in the Microbiology lab in hospital, I learnt the washing of petri dish, test tube in Microbiology lab.

ACTIVITY LOG FOR THE EIGHTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I was attended in ITC lab in hospital.	I observed the kits and equipments in lab.	cy
Day -2	I was attended in the ITC lab in hospital. (department)	I observed the counselling skills.	cy
Day -3	I was attended in ITC department of Microbiology in hospital.	I observed the rapid test signal HIV	cy
Day -4	I was attended in ITC department of Microbiology in hospital.	I observed the rapid test signal HIV	cy
Day -5	I was attended in ITC department of Microbiology in hospital.	I observed the rapid test signal HIV	cy
Day -6	I was attended in ITC department of Microbiology lab in hospital	I observed the rapid test signal HIV	cy

WEEKLY REPORT

WEEK - 8 (From Dt. 14/2/23 to Dt. 20/2/23.)

Objective of the Activity Done:

Detailed Report:

1st day of 8th week, I was attended in ICTC department in hospital. I observed the kits of equipments in lab.

2nd day, I was attended in ICTC lab in hospital. I observed the counselling skills.

3rd day, I was attended in ICTC lab in hospital. I observed the rapid test signal HIV.

4th day, I was attended in the ICTC lab in hospital. I observed the rapid test signal HIV.

5th day, I was attended in ICTC lab in hospital. I observed the rapid test signal HIV.

6th day, I was attended in ICTC lab in hospital. I observed the rapid test signal HIV.

Page No. 19/7/23

ACTIVITY LOG FOR THE NINTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the ITC Lab in hospital	I observed in the rapid test- Meri Screen HIV 1-2.	cy
Day - 2	I was attended in the ITC Lab in hospital	I observed in the rapid test Meri Screen HIV 1-2.	cy
Day - 3	I was attended in the ITC Lab in hospital	I observed in the rapid test Meri Screen HIV 1-2.	cy
Day - 4	I was attended in the ITC Lab in hospital	I observed in the rapid test Meri Screen HIV 1-2	cy
Day - 5	I was attended in the ITC Lab in hospital	I observed in the rapid test Meri Screen HIV 1-2	cy
Day - 6	I was attended in the ITC Lab in hospital	I observed in the rapid test Meri Screen HIV 1-2.	cy

WEEKLY REPORT

WEEK - 9 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

1st day, I was attended in ICTC lab in hospital, I observed rapid test Meri Screen HIV 1-2.

2nd day, I was attended in the ICTC lab in hospital I observed rapid test Meri Screen HIV 1-2.

3rd day, I was attended in ICTC lab in hospital I observed rapid test Meri Screen HIV 1-2.

4th day, I was attended in the ICTC lab in hospital I observed rapid test Meri Screen HIV 1-2.

5th day, I was attended in the ICTC lab in hospital I observed rapid test Meri Screen HIV 1-2.

6th day, I was attended in the ICTC lab in hospital I observed rapid test Meri Screen HIV 1-2.

ACTIVITY LOG FOR THE TENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the ICTC Lab in hospital.	I observed this rapid test Comb Aids.	any
Day - 2	I was attended in the ICTC Lab in hospital	I observed this rapid test Comb Aids.	any

WEEKLY REPORT

WEEK - 12 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

I was entire 1st day I have visited the hospital and attended the biochemistry lab I observed the sugar profile test

I was 2nd day, I was attended the hospital in biochemistry lab I observed the sugar profile test

I was 3rd day I was attended the biochemistry lab in hospital I observed the sugar profile test

The 4th day I was attended the biochemistry lab in hospital I observed the sugar profile test.

I was 5th day I was attended the biochemistry lab in hospital I observed the sugar profile test

I was 6th day I was attended the biochemistry lab in hospital I observed the sugar profile test

WEEKLY REPORT

WEEK - 13 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report: In 1st day, I was attended to the biochemistry lab in hospital. I observed renal profile test.

2nd day, I was attended to the biochemistry lab in hospital. I observed the renal profile test.

3rd day, I was attended to the biochemistry lab in hospital. I observed the renal profile test.

4th day, I was attended to the biochemistry lab in hospital. I observed the renal profile test.

5th day, I was attended to the biochemistry lab in hospital. I observed the renal profile test.

6th day, I was attended to the biochemistry lab in hospital. I observed the renal profile test.

19/7/23

ACTIVITY LOG FOR THE THIRTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended to the biochemistry lab in hospital	I observed the renal profile test.	@
Day - 2	I was attended to the biochemistry lab in hospital.	I observed the renal profile test.	@
Day - 3	I was attended to the biochemistry lab in hospital	I observed the renal profile test.	@
Day - 4	I was attended to the biochemistry lab in hospital	I observed the renal profile test.	@
Day - 5	I was attended to the biochemistry lab in hospital	I observed the renal profile test.	@
Day - 6	I was attended to the biochemistry lab in hospital.	I observed the renal profile test.	@

ACTIVITY LOG FOR THE FOURTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry lab in hospital	I observed the serum creation test.	@
Day - 2	I attended to the biochemistry lab in hospital	I observed the serum creation test.	@
Day - 3	I attended to the biochemistry lab in hospital	I observed the serum creation test.	@
Day - 4	I attended to the biochemistry lab in hospital	I observed the serum creation test.	@
Day - 5	I attended to the biochemistry lab in hospital.	I observed the serum creation test.	@
Day - 6	I attended to the biochemistry lab in hospital.	I observed the serum creation test.	@

WEEKLY REPORT

WEEK - 14 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

* On the first day of 14th week, I have observed and learnt about the Serum Creation test.

* The second day, I have observed and learnt about the Serum Creation test.

* On the third day, I have observed & learnt about the Serum Creation test.

* On the 4th day, I have observed & learnt about the Serum Creation test.

* On the fifth day, I have observed and learnt about the Serum Creation test.

* On the sixth day, I have observed and learnt about Serum creation test.

ACTIVITY LOG FOR THE FIFTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended the bio-chemistry lab in hospital	I observed the liver function test.	@
Day - 2	I attended the bio-chemistry lab in hospital	I observed the liver function test.	@
Day - 3	I attended the bio-chemistry lab in hospital	I observed the liver function test.	@
Day - 4	I attended the bio-chemistry lab in hospital	I observed the liver function test.	@
Day - 5	I attended the bio-chemistry lab in hospital	I practised the liver function test.	@
Day - 6	I attended the bio-chemistry lab in hospital	I practised the liver function test.	@

WEEKLY REPORT

WEEK - 15 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

- * on the first day of fourth week, I have observed and learnt about the liver junction test
- * The second day, I have learnt and observed about liver junction test
- * on the third day, I have observed and learnt about the liver junction test
- * The fourth day of fourth week, I have observed and learnt about the liver junction test
- * on the fifth day, I have practised the liver junction test
- * The sixth day, I have practised the liver junction test.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

The internship work environment is of the aspects of intern quality addressed in this report. The people at government general hospital, were welcome me carefully & with good interactive staff.

First and foremost I had trained and examined many things like test and medical procedure I had worked most of the time in lab, and my lab sis/medams explained and trained very well, we are the interns as team were very active and focused in the work.

We were also given space for our practice which made our internship very busy for us.

Page 11
19/7/23

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are many technical skills that I have acquired from this medical internship. I have to know about how to put my knowledge and skills into practice such as an intern in medical field. I learned how to communicate and build relationship with the people I had been worked.

I learned that every department of organization has its own importance and role. as an intern. I discovered its essential to be take the importance of the work of the medical field and its content for future, I learned the sometimes asking for feed backs. or receiving feed backs is difficult to her but it will have a significant impact on your future career and success.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skills I have acquired from this internship. I learned how to effectively deal with people, developing management skills is important to all professionals. As a team we planned about scheduling with respect to time and we all acted as leader and trained for every week enthusiastically.

We have kept notes for observing everything improvement of our weekly use, we dream about the having kept pros & cons, in our writing style we all kept our goals for journey we have developed condition decision making skills which are very essential in futures. As per the final day, we have discussed about our performance and upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

We have improved more about the lab and Medical test and various diseases etc.. and many Medical procedure in this internship of government general hospital in the development of Medical.

As we have been interacted with the faculty & the Lab Technicians and Nurses etc... As we assigned to work and to learn more about every Medical test and its importance at the 1st time we fill very tense, but now we are confident while communication & we are conversing understanding others.

We also come to getting understand by other we improved our speech skills from prepared level to extempore level we have developed from a student to an intern we also developed so much of interacting skills in our way which made students better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The government General hospital Serikulyay
Department of vascular and Endovascular Surgery of
government hospital offer's treatment for various condition related
to vascular system, carotid vascular care, acute debrim intervention
in blood vessels.

Our exceptional team of specialisation of
Advanced health care technology deliver the best treatment outcomes
for each patient, Be able to live a healthy and happy life.

- Patients With the best health care.
- Innovative Medicines.
- Advanced technology.
- Treatment for a healthy life style.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The government has taken a big step in implementing Technology in Medical Systems to amplify digital and Medical Modern technological Transformation for hospitals.

The government general hospital Srikakulam, has will Modern sophisticated devices in the procedure.

The present system followed and Upgraded & enriched of hospital through their ~~valuable~~ words, they scan files and taken attendance of all students for checking.

In this Lab where are well so participated expensive with Modern technological devices are there for concluded / investigate every report for the test accurately.

Student Self Evaluation of the Short-Term Internship

Student Name: B. Kesava Behara	Registration No: 2022001123005
Term of Internship: 4 Months From: 27/02/22	To: 19/03/23
Date of Evaluation:	
Organization Name & Address: Rajiv Gandhi Institute of Medical Science (MNS) .G.G. H, Balaga, Brikakumbam.	

Please rate your performance in the following areas:

Rating Scale: Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
8	Work Plan and organization	1	2	3	4	5
9	Professionalism	1	2	3	4	5
10	Creativity	1	2	3	4	5
11	Quality of work done	1	2	3	4	5
12	Time Management	1	2	3	4	5
13	Understanding the Community	1	2	3	4	5
14	Achievement of Desired Outcomes	1	2	3	4	5
15	OVERALL PERFORMANCE	1	2	3	4	5

Evaluation by the Supervisor of the Intern Organization

Student Name: B. Kesava Behara	Registration No: 2022001123005
Term of Internship: 4 months From: 27/12/23	To: 19/3/22
Date of Evaluation:	
Organization Name & Address: Rajiv Gandhi Institute of Medical Science (Bolang, SKLM).	
Name & Address of the Supervisor with Mobile Number	

Please rate the student's performance in the following areas:

Please note that your evaluation shall be done independent of the Student's self-evaluation

Rating Scale: 1 is lowest and 5 is highest rank

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
8	Work Plan and organization	1	2	3	4	5
9	Professionalism	1	2	3	4	5
10	Creativity	1	2	3	4	5
11	Quality of work done	1	2	3	4	5
12	Time Management	1	2	3	4	5
13	Understanding the Community	1	2	3	4	5
14	Achievement of Desired Outcomes	1	2	3	4	5
15	OVERALL PERFORMANCE	1	2	3	4	5
