STATE COUNCIL OF HIGHER EDUCATION**

(A STATUTORY BODY OF GOVERNMENT OF ANDHRA PRADESH)

PROGRAM BOOK FOR
SEMESTER INTERNSHIP

Name of the Student: Dr. Saurabh

Name of the College: Government Degree College men's

Registration Number: 2022001123010

Period of Internship: 4 months from 24/11/22 to 19/3/22

Name & Address of the Intern Organization: Rajiv Gandhi Institute
of medical Science (RIMS)
Gach Balaya, Srikatulan

University

REMARKS

An Internship Report on

Medical Laboratories Internship

(Title of the Semester Internship Program)

Submitted in accordance with the requirement for the degree of

Biotchnology (BTL)

Under the Faculty Guideship of

Dr. V. V. Kumar, Siv

(Name of the Faculty Guide)

Department of
Biotchnology

Government Degree College (Men) Sklm

(Name of the College)

Submitted by:

Mr. Santhosh

(Name of the Student)

Reg.No: 2022001123010

Department of Biotchnology

Government Degree College (Men) Sklm

(Name of the College)

Prof. Dr. V. V. Kumar
19/7/23

Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete Semester internship either in V Semester or in VI Semester.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements for transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the people working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - a. Data and Information you are expected to collect about the organization and/or industry.
 - b. Job Skills you are expected to acquire.
 - c. Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns, and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.

13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship, you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during the internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

Student's Declaration

I, Girish Kumar a student of Internship
Program, Reg. No. 2022/0011230 of the Department of Biotechnology (Men) SKM
College do hereby declare that I have completed the mandatory internship
from 24/12/23 to 19/03/23 in RIMS Hospital (Name of
the intern organization) under the Faculty Guideship of
DY Vamsi Kumar (Name of the Faculty Guide), Department of
Biotechnology government degree college (Men) SKM
(Name of the College)

prof. V
19/3/23

asanthksh
(Signature and Date)

Underwent internship in Rajiv Gandhi Institute of Medical Sciences.

Timings 9:00am-1:00pm has successfully completed the *Internship for Four Months* during the above period.

The overall performance of the inter during his/her internship is found to be

Acknowledgements

The successful completion of this internship report would not have been possible without the support and assistance of many individuals and organization. I feel immensely, blessed to have gotten this during the ~~course~~ of my internship program of four months. I would like to thank each and everyone of them involved in this programme.

I am indebted to my collage teacher and principle for their vision, encouragement and enduring interest in the ~~internship~~. And my special thanks must be given to the teachers and lab technicians students of government general hospital, srirangapatna, for their feedback, which achieved my skills and development.

My last and most important thanks like to all those whose made this report possible and become a reality with their kind assistance.

Contents

chapter 1:- Executive Summary.

chapter 2:- overview of the organization.

chapter 3:- Internship part.

chapter 4:- weekly report and activity log.

chapter 5:- outcomes description.

- Describe the real time technical skills you have acquired.

- Describe the managerial skills you have acquired.

- Describe how you could improve your communication skills.

- Describe how you could enhance your abilities.

- Describe the technological development you have

observed and relevant to the subject

area of training.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

I Joined in the internship in the department at government general hospital medical department.

I visited the place in the organisation name is government general Hospital.

I choose medical department to know the current status of the hospital and difference from the last so many patients and observed many things. I get to know that there are other decided areas which has to be improved.

I interacted with the patients and doctors and know so many things and learned a lot of problems.

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- Introduction of the Organization
- Vision, Mission, and Values of the Organization
- Policy of the Organization in relation to the intern role
- Organizational Structure
- Roles and responsibilities of the employees in which the intern is placed
- Performance of the Organization in terms of turnover, profits, market reach and market value.
- Future Plans of the Organization.

I Joined in the government general hospital and I worked in the medicine department. It plays an very important role in preservation of human life.

I observed many thing in the hospital. There are many people who worked as nurses, doctors, cleaners and who gave lectures like post-grad, teachers and learning lab. Fabricious students, who gave us full support to learn about every thing in a particular department. I joined in medical department. In this I have observed and learned a lot of thing in this period of time.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

I have joined in the government hospital
in a medical department for

In detail of working condition are very things
of gave to I've are working hard in the
hospital.

To start on gave to hospital to observe the
department and ~~medical~~ words. I observed
many patients suffering from the same of
the diseases. I observed many patients and
in the department to observe the patients
blood samples as a result of type of disease.
This part of internship have more knowledge
and gained more information.

ACTIVITY LOG FOR THE FIRST WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I have visited the hospital and attended the biochemistry lab	I observed the process of blood sample collection	@
Day - 2	I have visited the hospital and attended the biochemistry lab	I observed the process of blood sample collection	@
Day - 3	I attended to the biochemistry lab in hospital	I observed the blood sample collection.	@
Day - 4	I attended to the biochemistry lab in the hospital	I observed the blood sample collection.	@
Day - 5	I attended to the biochemistry lab in the hospital	I observed the blood sample collection	@
Day - 6	I attended to the biochemistry lab in the hospital	I practiced the blood sample collection.	@

~~WEEKLY REPORT~~
~~WEEK - 1 FROM 14/03/2020 TO 20/03/2020~~

Observation of the Activity During

Weekend Report

- on the first day of first term I have observed and learnt about the blood sample collection
- the second day I have observed and learnt about the blood sample collection
- on the third day, I have observed and learnt about the blood sample collection.
- The fourth day I have observed and learnt about the blood sample collection.
- on the fifth day I have practised the blood sample collection
- The sixth day I have practised the blood sample collection.

ACTIVITY LOG FOR THE SECOND WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Parent In-Charge Signature
Day - 1	I have visited the hospital and attended the Biochemistry lab	I observed the sugar profile test	
Day - 2	I have attended the hospital in biochemistry lab	I observed the sugar profile test	
Day - 3	I attended the biochemistry lab in hospital	I observed the sugar profile test	
Day - 4	I attended the biochemistry lab in hospital	I practiced the sugar profile test.	
Day - 5	I attended the biochemistry lab in the hospital	I practiced the sugar profile test.	
Day - 6	I attended the biochemistry lab in the hospital	I practiced the sugar profile test.	

WEEKLY REPORT

WEEK - 2 (From Dt. 2/1/23 to Dt. 7/1/23...)

Objective of the Activity Done:

Detailed Report:

- on the first day of the second week, I have visited to the hospital and attended to the Bio-chemistry lab.
- The second day of second week, I have observed and learnt the process of sugar profile test.
- on the third day, I have learnt and observed the process of sugar profile test.
- The fourth day, I have learnt and observed the process of sugar profile test.
- on the fifth day, I have attended the Biochemistry lab in the hospital and practised the sugar profile test.
- The sixth day, I have visited the Biochemistry lab and practised the sugar profile test.

ACTIVITY LOG FOR THE THIRD WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended the Biochemistry lab in hospital	I observed the Renal profile test.	@
Day - 2	I attended the Biochemistry lab in the hospital	I observed the Renal profile test.	@
Day - 3	I attended the Biochemistry lab in hospital	I observed the Renal profile test.	@
Day - 4	I attended the Biochemistry lab in hospital	I observed the Renal profile test.	@
Day - 5	I attended the Biochemistry lab in hospital	I practised the Renal profile test.	@
Day - 6	I attended the Biochemistry lab in hospital	I practised the Renal profile test.	@

WEEKLY REPORT
WEEK - 3 (From Dt. 08/1/23 to Dt. 16/1/23...)

Objective of the Activity Done:

Detailed Report:

- on the first day of third week, I have observed and learnt about the renal profile test.
- The second day of third week, I have learnt and observed about the renal profile test.
- on the third day, I have observed and learnt about the renal profile test.
- The fourth day, I have learnt and observed about the renal profile test.
- on fifth day, I have practised renal profile test in the biochemistry lab.
- on sixth day, I have practised renal profile test in the bio-chemistry lab.

ACTIVITY LOG FOR THE FORTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended the Bio chemistry lab in hospital	I observed the Liver function test.	@
Day -2	I attended the Bio chemistry lab in hospital	I observed the liver function test.	@
Day -3	I attended the Bio chemistry lab in hospital.	I observed the liver function test.	@
Day -4	I attended the Bio chemistry lab in hospital	I observed the liver function test.	@
Day -5	I attended the Bio chemistry lab in hospital	I observed the liver Function test.	@
Day -6	I attended the Bio chemistry lab in hospital	I observed the liver Function test.	@

WEEKLY REPORT
WEEK - 4 (From Dt. 17/1/23.. to Dt. 24/1/23..)

Objective of the Activity Done:

Detailed Report:

- On the first day of fourth week, I have observed and learnt about the liver function test.
- The second day, I have learnt and observed about liver function test.
- On the third day, I have observed and learnt about the liver function test.
- The fourth day of fourth week, I have observed and learnt about the liver function test.
- On the fifth day, I have practised the liver function test.
- The sixth day, I have practised the liver function test.

WEEK - 15 (From D..... to D.....)

Objective of the Activity Done:

Detailed Report:

- on the first day of fifteenth week, I have observed and learnt about the Pencil profile test.
- The second day, I have observed and learnt about the Pencil profile test.
- on the third day, I have observed and learnt about the Pencil profile test.
- The fourth day, I have observed and learnt about the Pencil profile test.
- on the fifth day, I practised the Pencil profile test.
- The sixth day, I have practised the Pencil profile test.

CHAPTER 3: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, processes, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Intern work environment is one of the important report of intern quality addressed in their report interaction with the people in the medical department with the people in hospital. They are very supportive and encouraged as very well.

In hospital so many facilities are available which are very helpful to the patients. I have an interaction with the professors and teachers. I have learned so many things about the medical department they teach us every management process and also art team work and how to socialize with patients. Free management is available in the hospital and the way for the treatment is also free of service for the poor people.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are some technical skills. I have acquired from this Internship.

I had learned to hold communication and build relationships. with the people worked with me. I learned that every department has its own culture. I have learned the blood sample collection technique in the laboratory.

I observed and learnt about the process of configuration and its importance in the laboratory. As I kept learning all the tests in the biochemistry lab, I learned the importance of the accuracy and also. I am able to learn how to analyse the data.

prof. 19/7/23

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skills, I had acquired in this internship. I learned how to effectively deal with the people and developing managerial skills is more important to all professional as a learner.

I planned about dealing with respect to some people for the interaction and we arranged our work place culture for productive use of time.

We have kept notes for the observation. I had a discussion about all pros and cons in our working style.

As per the final day, I have discussed about our performance is upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

I have improved my communication skills in this internship at the government general hospital in Srikakulam.

I have allotted to the Biochemistry department. I have been interacting with the teachers and lab technician students as per the work. Daily we have an interaction with the people in the hospital which has improved my communication skills.

I have an interaction with the patients in hospital on their disease, which has improved my understanding of others and also oral communication skills. One week, I allotted to the sample collection ward which improves my anxiety management and improved maintaining niceties and greeting, closing the conversation.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The Government has taken a big decision in implementing the technology in medical department system to amplify digital transformation of hospitals.

I have been enhance my abilities in this internship. In this period of time due to the group discussions and classes were taken by the teachers to enhance our knowledge and we are practising, practically in the hospital once in a day they have arranged group discussion for the patients health care,

I have also participated in the team work conducted by the department heads in the hospital.

In the form of team only we practised and participated in several activities like Sample collection and the form gives to the patients in this we have to check and tell to them. In this way we enhance our abilities and knowledge communication skills.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The government has taken a big decision in implementing technology in medical department system to amplify transformation of data hospitals.

The government general hospital in srirakulam department of vascular and end vascular surgery at government general hospital offers treatment for various conditions related to vascular system

Our exceptional team of specialised and advanced health care technology deliver the best treatment outcomes for each patient that they are able to live a happy healthy life.

- patients with the best health care.

- Innovative medicines.

- Advanced technology

- Treatment for a healthy life style

Student Self Evaluation of the Short-Term Internship

Student Name:	G. Santhosh	Registration No:	2021001123010
Term of Internship:	From: 24/12/22	To:	19/03/23
Date of Evaluation:			
Organization Name & Address:	RAJU GANATHI Institute of medical science (RIMS), UNIT Balaga, SK/WM		

Please rate your performance in the following areas:

Rating Scale: Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
