SEMESTER INTERNSHIP

Designed & Developed by

**ANDHRA PRADESH
STATE COUNCIL OF HIGHER EDUCATION**

(A STATUTORY BODY OF GOVERNMENT OF ANDHRA PRADESH)

PROGRAM BOOK FOR
SEMESTER INTERNSHIP

Name of the Student: *B. Navya Sri*

Name of the College: *Government Degree College (Men)*

Registration Number: *2022001123018*

Period of Internship:

From: *27/12/22* To: *17/3/23*

Name & Address of the Intern Organization

*Rajiv Gandhi
Institute of Medical Sciences (Hospital)
Balaga, Srikakulam.*

University

YEAR

An Internship Report on
Medical Laboratories Internship

(Title of the Semester Internship Program)

Submitted in accordance with the requirement for the degree of

BSc. Bt-2-C

Under the Faculty Guideship of

Dr. Y. Vamsi Kumar.

(Name of the Faculty Guide)

Department of

BSc. Biotechnology

(Name of the College)

Submitted by:

Navya Sri Boddepalli

(Name of the Student)

Reg.No: 2022001123018

Department of Biotechnology

Government Degree College (Men)

(Name of the College)

Prof. V. 19/7/23

Student's Declaration

I, B. Navya Sri a student of Internship
Program, Reg. No. 2022001123018 of the Department of Biotechnology
College do hereby declare that I have completed the mandatory internship
from 24/12/22 to 19/03/23 in RIMS Srikakulam (Name of
the intern organization) under the Faculty Guideship of
Vamsi sir (Name of the Faculty Guide), Department of
Government Degree college, (Ment) Srikakulam
(Name of the College)

B. Navya Sri
(Signature and Date)

Official Certification

This is to certify that B. Navya Sri (Name of the student) Reg. No. 2022001123018 has completed his/her Internship in RIMS Srikakulam (Name of the Intern Organization) on Medical Laboratories Internship (Title of the Internship) under my supervision as a part of partial fulfillment of the requirement for the Degree of BSc. Biotechnology in the Department of Government Degree College (Name of the College).

This is accepted for evaluation.

RAJIV GANDHI INSTITUTE OF MEDICAL
SCIENCES, SRIKAKULAM – 532001 (A.P)

This is to certify that B. Nanya Sri – (Name of intern) of
Government Degree College (Men) (Name of the college)
Underwent internship in Rajiv Gandhi Institute of Medical Sciences
— (Name of the Intern Organization) from 27/12/22 to 19/03/23
Timings 9AM-1PM. has successfully completed the internship for
Four Months during the above period.

The overall performance of the inter
during his/her internship is found to be

K. Sankar
Professor and HOD, M.D
Professor & HOD
Department of Biochemistry
Government Medical College

Acknowledgements

The successful completion of this internship report would not have been possible without the support and assistance of many individuals and organization. I feel immensely blessed to have gotten this during the course of my internship program of few months. I would like to thank each and every one of them involved in this programme.

I am intended to my college teacher and principal for their vision, encouragement and enduring interest in the internship.

And my special thanks must be given to the teachers and lab technician students of Government General hospital, Srikkakulam. For their feed back, which achieved my skills and development.

My last and most important thanks like to all those whose made this report possible and become a reality with their kind assistance.

Contents

- Chapter - 1: Executive Summary
Chapter - 2: Overview of the organization
Chapter - 3: Internship part
Chapter - 4: Weekly Report and Activity log
Chapter - 5: Outcomes Description.

- Describe the ~~neatime~~ technical skills you have ~~acquired~~.
- Describe the managerial skills you have ~~acquired~~.
- Describe how you could improve your communication skills.
- Describe how you could enhance your abilities.
- Describe the ~~technological~~ development you have ~~observed~~ and relevant to the subject area of training.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

I joined in the internship in the department at Government General Hospital Medical department.

I visited the place in the organization name, which is a Government hospital namely Rajiv Gandhi Institute of Medical Sciences, Srikakulam.

I choose medical department to know the current status of the hospital and difference from the last so many patients and have observed many things. I came to learn different areas of medical sciences, different laboratories.

I have learnt that there is always a very systematic approach in every hospital and lot of areas to develop. I interacted with the patients and learnt lot of problems.

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

I have joined the Rajiv Gandhi Institute of Medical Sciences (RIMS) and have worked in the laboratories, it plays an important role in every person's medical reports.

I observed many things in the hospital. there are many people, who worked as nurse, doctors, assistants and who gave lectures, like professors, teachers and learning lab technicians students, who gave us a lot of explanation and notes about all the observation, techniques in the laboratories.

I joined to medical department on In this I have observed and learned a lot of things in this period of time.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

I have joined in the Government General Hospital in a medical department for

In detail of working condition are first timing of 9 AM to 1 PM are working hours in the hospital.

To start at 9 AM in the hospital, we are all required to observe all the laboratories and collect blood samples often. I have observed about how the patients are allotted to different tests in a systematic manner, how all the staff receive them. All the test are being done with a lot of precaution and care. Government hospitals are a great boon to people who cannot afford high-end expensive hospitals. As an intern, I have come to learn a lot knowledge about hospitals.

ACTIVITY LOG FOR THE FIRST WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I have visited the hospital and attended to Biochemistry Lab	I observed the process of blood sample collection.	@
Day -2	I visited the hospital and attended the Biochemistry Lab	I observed the blood sample collection process	@
Day -3	I visited the hospital and went to Biochemistry Lab	I observed blood sample collection.	@
Day -4	I visited the hospital and went to Biochemistry Lab	I observed the blood sample collection	@
Day -5	I visited the hospital and went to Biochemistry Lab	I observed the blood sample collection.	@
Day -6	I visited the hospital and went to Biochemistry Lab.	I observed blood sample collection.	@

WEEKLY REPORT

WEEK - 1 (From Dt. ~~24/12/22~~ to Dt. ~~31/12/22~~)

Objective of the Activity Done:

Detailed Report:

- In the first two days, I have tried to interact with the staff of the Biochemistry lab.
- On the second day, I have observed the process of blood sample collection.
- The third day, I have observed the process of blood sample collection.
- On the next day, I have taken notes and observed the process of blood sample collection.
- On the fourth day, I practised the blood sample collection.
- On the final day of first week, I have practised the blood sample collection.

ACTIVITY LOG FOR THE SECOND WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I have visited the hospital and attended the Biochemistry lab.	I observed the sugar profile test	@
Day - 2	I have visited the hospital and attended Biochemistry lab.	I observed the sugar profile test	@
Day - 3	I visited the hospital and attended Biochemistry lab.	I observed the sugar profile test	@
Day - 4	I attended the hospital Biochemistry lab.	I practised the sugar profile test	@
Day - 5	I attended the Biochemistry lab in hospital.	I practised the sugar profile test	@
Day - 6	I attended the Biochemistry lab in hospital.	I practised the sugar profile test.	@

WEEKLY REPORT
WEEK - 2 (From Dt. 2/01/23 to Dt. 7/1/23)

Objective of the Activity Done:

Detailed Report:

- On the first day of the second week, I visited the biochemistry lab in the hospital.
- The second day, I have learnt and observed the process of sugar profiling.
- The third and fourth day, I attended the Biochemistry lab and observed the sugar profiling test.
- The fifth day of the second week, I have attended the Biochemistry lab in the hospital and practised the sugar profile test.
- The sixth day, I have visited the Biochemistry lab and practised the sugar profiling test.

ACTIVITY LOG FOR THE THIRD WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended the Biochemistry lab in hospitals	I observed the Renal Profile test	@
Day -2	I attended the Biochemistry lab in hospital.	I observed the Renal Profile test	@
Day -3	I attended the Biochemistry lab in hospital.	I observed the Renal Profile test	@
Day -4	I attended the Biochemistry lab in hospital.	I observed the Renal Profile test	@
Day -5	I attended the Biochemistry lab in hospital	I practised the Renal profile test	@
Day -6	I attended the Biochemistry lab in hospital.	I practised the Renal profile test	@

15/7/23

WEEKLY REPORT
WEEK - 3 (From Dt. 9/1/23 to Dt. 16/1/23)

Objective of the Activity Done:

Detailed Report:

- On the first day of the third week, I visited and attended on the Biochemistry lab in the hospital.
- On the second day, I learnt about and observed the renal profile test.
- On the third day, I learnt about and observed the renal profile test.
- On the fourth day, I learnt about the renal profile and observed the test.
- On the fifth day, I practised the renal profile test.
- On the sixth day, I practised the renal profile test in the Biochemistry lab.

ACTIVITY LOG FOR THE FORTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the Biochemistry lab in hospital.	I have observed the liver function test.	@
Day - 2	I attended to the Biochemistry lab in hospital.	I have observed the liver function test.	@
Day - 3	I attended the Biochemistry lab in hospital.	I have observed the liver function test.	@
Day - 4	I attended the Biochemistry lab in hospital.	I have observed the liver function test.	@
Day - 5	I attended the Biochemistry lab in hospital.	I have practised the liver function test.	@
Day - 6	I attended the Biochemistry lab in hospital.	I have practised the liver function test.	@

WEEKLY REPORT
WEEK - 4 (From Dt. 17/1/23 to Dt. 04/1/23)

Objective of the Activity Done:

Detailed Report:

- On the first day of fourth week, I have attended the Biochemistry lab in hospital, to observe the liver function test.
- On the second day, I have learnt and observed the liver function test.
- On the third day, I have learnt and observed the liver function test.
- On the fourth day, I have observed the liver function test.
- On the fifth day, I practised the renal profile test.
- On the sixth day, I practised the renal profile test in the Biochemistry lab.

ACTIVITY LOG FOR THE FIFTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended the Biochemistry lab in hospital	I have observed the serum creatine test.	@
Day - 2	I attended the Biochemistry lab in hospital.	I have observed the serum creatine test.	@
Day - 3	I attended the Biochemistry lab in hospital.	I have observed the serum creatine test.	@
Day - 4	I attended the Biochemistry lab in hospital.	I have observed the serum creatine test.	@
Day - 5	I attended the Biochemistry lab in hospital.	I have practised the serum creatine test.	@
Day - 6	I attended the Biochemistry lab in hospital.	I have practised the serum creatine test.	@

WEEKLY REPORT

WEEK - 5 (From Dt. 25/1/23 to Dt. 30/1/23)

Objective of the Activity Done:

Detailed Report:

- On the first day of the fifth week, I have attended the Biochemistry lab in hospital lab.
- The second day of week five, I have learnt and observed the serum creatine test.
- The third day of week, I have learnt and observed the serum creatine test.
- The next day of week, I have observed the serum creatine test.
- The fifth day of the week, I have practised the serum creatine test in the Biochemistry lab.
- The last day, I have practised the serum creatine test in the Biochemistry lab.

ACTIVITY LOG FOR THE SIXTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to biochemistry lab in hospital	I observed the process of blood sample collection.	@
Day - 2	I attended to the biochemistry lab in hospital.	I observed process of blood sample collection.	@
Day - 3	I attended to biochemistry lab in hospital.	I observed process of blood sample collection.	@
Day - 4	I attended to biochemistry lab in hospital.	I observed process of blood sample collection.	@
Day - 5	I attended to biochemistry lab in hospital.	I observed blood sample collection process.	@
Day - 6	I attended to biochemistry lab in hospital.	I observed blood sample collection process.	@

WEEKLY REPORT

WEEK - 6 (From Dt. 31/1/23 to Dt. 6/02/23)

Objective of the Activity Done:

Detailed Report:

- On the first day of sixth week, I visited the Biochemistry lab in hospital and learnt about blood sample collection.
- On second day, I have observed and learnt about the blood sample collection process.
- I have learnt the blood sample collection in the lab on third day.
- On the fourth day, I have learned more details about the collection process.
- On the fifth day, I have tried the blood sample collection process.
- I have practised the entire process of blood sample collection on patients.

ACTIVITY LOG FOR THE SEVEN WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry lab in hospital.	I observed the sugar profile test	@
Day - 2	I attended to the biochemistry lab in hospital.	I observed sugar profile test process.	@
Day - 3	I attended to the biochemistry lab in hospital.	I observed sugar profile test process.	@
Day - 4	I attended the biochemistry lab in hospital.	I tried the sugar profile test process.	@
Day - 5	I attended the biochemistry lab in hospital.	I tried the sugar profile test.	@
Day - 6	I attended the biochemistry lab in hospital.	I tried the sugar profile test.	@

19/7/23

WEEKLY REPORT

WEEK - 7 (From Dt. 3/2/23 to Dt. 13/2/23)

Objective of the Activity Done:

Detailed Report:

- On the first day of week seven, I attended the Biochemistry lab and observed the sugar profile test.
- The next day, I have learnt the total procedure of the sugar profile test.
- On the third day of the week, I have observed and taken notes of the sugar profile test.
- The fourth day, I have tried the sugar profile test.
- On the fifth day, I have practised the total procedure of the sugar profile test.
- The last day of the week, I practised the sugar profile test.

ACTIVITY LOG FOR THE EIGHTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended to biochemistry lab in hospital	I observed the liver function test	@
Day -2	I attended to biochemistry lab in hospital.	I observed the liver function test.	@
Day -3	I attended the biochemistry lab in hospital.	I observed the liver function test.	@
Day -4	I visited the biochemistry lab in hospital	I observed the liver function test.	@
Day -5	I have visited the biochemistry lab in hospital.	I practised the liver function test	@
Day -6	I attended the Biochemistry lab in hospital.	I practised the liver function test.	@

WEEKLY REPORT

WEEK - 8 (From Dt. 14/2/23 to Dt. 20/2/23)

Objective of the Activity Done:

Detailed Report:

→ On the first day, I have visited the biochemistry lab and observed the liver function test.

→ The next day, I learnt and observed the ~~procedure~~ of liver function test.

→ I have keenly observed and taken notes of liver function-test on the third day.

→ On the fourth day, I learned the entire ~~procedure~~ of the liver function test.

→ The next day, I practised the proper procedure of the liver function test.

→ On the last day, I practised the liver function test.

19/2/23

ACTIVITY LOG FOR THE NINETH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended to Biochemistry lab in Hospital.	I have observed the Renal profile test	@
Day -2	I attended to the Biochemistry lab in Hospital.	I have observed Renal Profile test.	@
Day -3	I visited the Biochemistry lab in hospital	I have observed Renal Profile test.	@
Day -4	I have attended Biochemistry lab in hospital.	I have observed Renal Profile test.	@
Day -5	I attended the Biochemistry lab in Hospital.	I have observed Renal profile test.	@
Day -6	I have visited the Biochemistry lab in hospital.	I have observed Renal profile test	@

WEEKLY REPORT

WEEK - 9 (From Dt. 22/2/23 to Dt. 27/2/23)

Objective of the Activity Done:

Detailed Report:

→ On the first day of week nine, I visited the Biochemistry lab in hospital and observed Renal profile test.

→ The next day I have taken notes and observed the Renal profile test.

→ On the third day, I observed the process of Renal profile test.

→ On the fourth day, I have observed the process of Renal profile test.

→ The next day, I have practised the Renal profile test.

→ On the last day, I have practised the process of the Renal profile test.

ACTIVITY LOG FOR THE TENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended the Biochemistry lab in Hospital.	I observed the CSF fluid test.	@
Day - 2	I visited the Biochemistry lab in hospital.	I observed the CSF fluid test.	@
Day - 3	I attended the Biochemistry lab in hospital.	I observed the CSF fluid test.	@
Day - 4	I have attended the Biochemistry laboratory.	I observed the CSF fluid test.	@
Day - 5	I attended the Biochemistry lab in hospital.	I practised the CSF fluid test.	@
Day - 6	I have attended the Biochemistry laboratory.	I practised the CSF fluid test.	@

WEEKLY REPORT

WEEK - 10 (From Dt. 28/8/23 to Dt. 6/3/23)

Objective of the Activity Done:

Detailed Report:

→ On the first day of week ten, I practised the learning of CSF fluid test.

→ On the second day, I learnt and studied the procedure of CSF fluid test.

→ The third day, I learned the studied the procedure of CSF fluid test.

→ On the fourth day, I practised the process of CSF fluid test.

→ On the fifth day, I have practised the CSF fluid test.

→ The last day of the week, I have practised the entire CSF fluid test.

ACTIVITY LOG FOR THE ELEVENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended the Biochemistry lab in hospital	I have observed serum creatin test.	
Day - 2	I attended the Biochemistry lab in hospital	I observed serum creatin test.	
Day - 3	I visited the Biochemistry lab in hospital.	I observed serum creatin test.	
Day - 4	I have visited Biochemistry lab in Hospital.	I observed serum creatin test.	
Day - 5	I attended the Biochemistry lab in hospital.	I practised the serum creatin test	
Day - 6	I visited the Biochemistry lab in hospital	I have practised serum creatin test	

ACTIVITY LOG FOR THE TWELVETH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended the Biochemistry lab in hospital.	I observed the process of fluid test	@
Day -2	I visited the Biochemistry lab in hospital.	I observed the process of fluid test	@
Day -3	I attended the Biochemistry lab in hospital.	I observed the process of fluid test.	@
Day -4	I have visited the Biochemistry laboratory	I observed the process of fluid test	@
Day -5	I attended the Biochemistry lab in hospital	I tried the process of fluid test	@
Day -6	I attended the Biochemistry lab in hospital.	I practised the fluid test process.	@

prof 19/7/23

WEEKLY REPORT
WEEK - 12 (From Dt. 13/3/23 to Dt. 19/3/23)

Objective of the Activity Done:

Detailed Report:

→ On the first day of week twelve, I visited the Biochemistry lab and learnt about fluid test.

→ Second day, I have studied and have taken notes of the procedure of fluid test.

→ The next day, I observed the procedure of fluid test.

→ On the fourth day, I have carefully observed the process of fluid test.

→ The next day, I tried to do the fluid test process.

→ On last day of the week, I practised the fluid test.

ACTIVITY LOG FOR THE THIRTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended the Biochemistry lab in hospital.	I observed the process of blood sample collection.	@
Day - 2	I visited the Biochemistry lab in hospital.	I observed blood sample collection	@
Day - 3	I attended the Biochemistry lab in hospital.	I observed blood sample collection.	@
Day - 4	I have visited the Biochemistry laboratory.	I observed blood sample collection	@
Day - 5	I attended the Biochemistry lab in hospital.	I observed blood sample collection.	@
Day - 6	I attended the Biochemistry lab in hospital	I practised blood sample collection.	@

WEEKLY REPORT

WEEK - 13 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

→ On the first day of the week thirteen, I have carefully observed and learnt about the blood sample collection.

→ The second day, I have observed the ~~process~~ of collecting blood sample.

→ I observed the process of blood sample collection on the next day.

→ On the fourth day of thirteenth week, I have taken keen interest in observing the process of blood sample collecting.

→ I practised the process of blood samples collection the next day.

→ On last day of the week, I practised the ~~total~~ procedure.

ACTIVITY LOG FOR THE FOURTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended the Biochemistry lab in hospital.	I observed the sugar profile test	@
Day -2	I visited the Biochemistry lab in hospital	I observed the sugar profile test	@
Day -3	I attended the Biochemistry Lab in hospital.	I observed the sugar profile test	@
Day -4	I have visited the Biochemistry Laboratory	I observed the sugar profile test	@
Day -5	I attended the Biochemistry lab in hospital	I practised the sugar profile test	@
Day -6	I attended the Biochemistry lab in hospital.	I practised the sugar profile test.	@

WEEKLY REPORT

WEEK - 14 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

→ On the first day of week fourteen, I have visited the Biochemistry lab and learnt about the sugar profile test.

→ On the second day of fourteenth week, I have observed the sugar profile test.

→ The next day, I have taken interest in taking notes and observing the procedure.

→ On the fourth day, I have taken detailed notes and observed the process of sugar profile test.

→ The next day, I tried the sugar profile test.

→ The last day, I practised the sugar profile test.

ACTIVITY LOG FOR THE FIFTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended the Biochemistry lab in hospital.	I observed the Renal profile test	@
Day - 2	I visited the Biochemistry lab in hospital.	I observed the Renal profile test	@
Day - 3	I attended the Biochemistry lab in hospital.	I observed the Renal profile test	@
Day - 4	I have visited the Biochemistry laboratory	I observed the renal profile test.	@
Day - 5	I attended the Biochemistry lab in hospital.	I practised the renal profile test	@
Day - 6	I attended the Biochemistry lab in hospital.	I practised the renal profile test.	@

WEEKLY REPORT

WEEK - 15 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

→ On the first day of the week fifteen, I visited the lab of biochemistry and observed the renal profile test.

→ On the second day, I have carefully observed the renal profile test.

→ The next day, I have observed the procedure of the renal profile test.

→ On the fourth day, I have taken notes and observed the process of renal profile test.

→ I have tried the renal profile test the next day.

→ On last day of the week, I have practised the process of renal profile test.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Interns work environment is one of the mostly addressed topic in the internship report. Being able to freely interact with the staff in the labs is a great chance to develop communication skills. They educate us, encourage us very well.

The hospital maintenance is quite large and very systematic. The facilities it provides to the patients is also quite the admirable thing about the medical department. We have been taught about how the hospital management works in detail about different systems. I learn quite the importance of team work.

Free management is available in the hospital and money is not needed as it made for free service to people.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are different technical skills that I had learnt from this internship:

I had learnt different communication skills as I was supposed to talk with patients, staff, employees, etc. The ability to quickly understand the problems and sorting them is highly required. I have observed that every laboratory has their own systematic ways of testing, teaching.

I have observed and learnt a lot in the blood sample collection room. I have also practised some real-time skills like centrifugation, it has great importance in most of the tests. Upon doing multiple tests in labs, I have learnt the importance of accuracy and also ^{19/11/23} ~~that~~ to analyse the data.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

I have improved my communication skills in this internship at the Government General Hospital in Srikakulam.

I have allotted to the Biochemistry department. As, I have been interacting with the teachers and lab technician students as per the work. Daily, we have an interaction with the people in the hospital which has improved my communication skills.

I have an interaction with the patients in hospital on their diseases which has improved my understanding others and do oral communication skills. One week, I was allotted to the sample collection ward which improves my anxiety management.

19/11/23

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skills, I had acquired in this internship. I learned how to effectively deal with the people and developing managerial skills is more important to all professional as a learner.

I planned about dealing with respect to some people for the interaction and we arranged our work place culture for productive use of time.

We have taken detailed notes about all the tests we have done in the laboratories. I had an discussion about all the pros and cons on our working style.

As per the final day, I have discussed about our performance is upgrated.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The government has taken a big decision in implementing the technology in Medical department system to amplify digital transformation of hospitals.

I have been enhancing my abilities in this internship. In this period of time due to the group discussions and classes were taken by the teachers to enhance our knowledge and we are practising in the hospital. Once in a while, we have arranged group discussions.

I have also participated in the team work conducted by the department heads in the hospital. In the form of team only we practised and participated in several activities like sample collection and the form given to the patients. In this we have to check and tell to them. In this way we enhance our abilities and knowledge and communication skills.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The Government has taken a big decision in implementing technology in medical department system to amplify transformation of hospitals.

The Government General Hospital in Srikakulam ~~department~~ of vascular and endovascular surgery at Government General Hospital offers treatment for various conditions related to vascular system.

Our exceptional team of specialised and advanced health care technology deliver the best treatment outcomes for each patient ~~that they~~ are able to live a happy ~~healthy~~ life.

- Patients with the best healthcare.
- Innovative medicine.
- Advanced technology
- Treatment for a healthy-life style.

Student Self Evaluation of the Short-Term Internship

Student Name: B. Nanya Sri

Registration No: 2022001122018

Term of Internship:

From: 27/12/22

To: 19/03/23

Date of Evaluation:

Organization Name & Address: Rajiv Gandhi Institute of Medical Sciences (RIMS) Srikakulam

Please rate your performance in the following areas:

Rating Scale:

Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
8	Work Plan and organization	1	2	3	4	5
9	Professionalism	1	2	3	4	5
10	Creativity	1	2	3	4	5
11	Quality of work done	1	2	3	4	5
12	Time Management	1	2	3	4	5
13	Understanding the Community	1	2	3	4	5
14	Achievement of Desired Outcomes	1	2	3	4	5
15	OVERALL PERFORMANCE	1	2	3	4	5
