Student's Declaration

I, Paidi. Krishnaveni a student of _____
Program, Reg. No. 2022001123019 of the Department of Biotechnology GDC (M)
College do hereby declare that I have completed the mandatory internship Srikakulam
from 24-12-22 to 19-3-2023 in RIMS hospital (Name of
the intern organization) under the Faculty Guideship of
Dr. Y. Yamma-kumar (Name of the Faculty Guide), Department of
Biotechnology Government, Degree college (M) Srikakulam
(Name of the College)

P. Krishnaveni
(Signature and Date)

Official Certification

This is to certify that Paide . krishnaveni (Name of the student) Reg. No. 202201123019 has completed his/her Internship in RIMS Srikakulam (Name of the Intern Organization) on Medical laboratory Internship (Title of the Internship) under my supervision as a part of partial fulfillment of the requirement for the Degree of BSc. Biotechnology in the Department of Govt. Degree College (M) (Name of the College).
Srikakulam

This is accepted for evaluation.

Acknowledgements

The successful completion of this internship report would not have been possible without the support & assistance of many individuals & organization. I feel immensely blessed to have gotten this during the course of my internship program of four months. I would like to thank each & every one of them involved in this programme.

I am indebted to my college teacher & Principal for their vision, encouragement & enduring interest in the internship.

And my special thanks must be given to the teachers & lab technicians students of government General hospital, Srikakulam. For their feed back, which achieved my skills & development.

my last & most important thanks like to all those who made this report possible & become a reality with their kind assistance.

Contents

chapter-1: Executive summary

chapter-2: overview & the organization

chapter-3: Internship Part

chapter-4: weekly Report & Activity log

chapter-5: outcomes description.

- Describe the realtime technical skills you have acquired.
- Describe the managerial skills you have acquired.
- Describe how you could improve your communication skills.
- Describe how you could enhance your abilities.
- Describe the technological development you have observed & relevant to the subject area of training.

prof. No. 19/11/23

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

I joined in the internship in the department at Government General Hospital medical department.

I visited the place in the organisation name is Government General Hospital.

I choose medical department to know the current status of the hospital & difference from the last so many patients & observed many things.

I got to know that there are other decided areas which has to be improved.

I interacted with the patients & doctors & know so many things & learned a lot of problems.

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

I joined in the Government General Hospital & I worked in the medical department, it plays an very important role in every aspect of human life.

I observed many things in the hospital. There are many people, who worked as nurses, doctors, assistant & who gave lectures like professors, teachers & leaving lab technicians students, who gave a full support to learn about every thing in a particular departments. I joined to medical department on In this

I have observed and learned a lot of thing in this period of time.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

I have joined in the Government General Hospital in a medical department for
In detail & working condition are first
Timing of 9am to 1pm we work in the
Hospital.

To start on 9am to hospital to observe the
departments & medical wards. I observed many
patients suffering from the some of the
diseases.

I observed many patients and in the dept...
to observe the patients blood samples as a
results & type of diseases.
This part of internship have more knowledge
& gained more information.

ACTIVITY LOG FOR THE FIRST WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I have visited the hospital & attended to Biochemistry lab	I observed the process of blood sample collection	@
Day - 2	I visited the hospital & attended the Biochemistry lab.	I observed the blood sample collection process	@
Day - 3	I visited the hospital & went to biochemistry lab	I observed blood sample collection.	@
Day - 4	The visited the hospital & went to Biochemistry lab	I observed the blood sample collection	@
Day - 5	In visited the hospital & went to Biochemistry lab	I observed the blood sample collection	@
Day - 6	I visited the hospital & went to Biochemistry lab	I observed blood sample collection.	@

WEEKLY REPORT
WEEK - 1 (From Dt 24/12/22 to Dt 31/12/22)

Objective of the Activity Done:

Detailed Report:

On the first day of first week, I have observed & learnt about the blood sample collection.

The second day, I have observed & learnt about the blood sample collection.

On the third day, I have observed & learnt about the blood sample collection.

The fourth day, I have observed & learnt about the blood sample collection.

On the fifth day, I have Practised the blood sample collection.

The sixth day, I have Practised the blood sample collection.

ACTIVITY LOG FOR THE SECOND WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I have visited the hospital & attended the biochemistry lab	I observed the sugar profile test.	@
Day -2	I attended the hospital in biochemistry lab	I observed the sugar profile test.	@
Day -3	I attended the biochemistry lab in hospital	I practised the sugar profile test.	@
Day -4	I attended the biochemistry lab in hospital	I practised the sugar profile test.	@
Day -5	I attended the biochemistry lab in hospital	I practised the sugar profile test.	@
Day -6	I attended the biochemistry lab in hospital	I practised the sugar profile test.	@

WEEKLY REPORT

WEEK - 2 (From Dt. 2/1/23 to Dt. 7/1/23)

Objective of the Activity Done:

Detailed Report:

- on the first day of the second week, I have visited to the hospital & attended to the Biochemistry
- The second day of second week, I have observed & learnt the process of sugar profile test.
- on the third day, I have learnt & observed the process of sugar profile test.
- The fourth day, I have learnt & observed the process of sugar profile test.
- on the fifth day, I have attended to the Biochemistry lab in the hospital & practise the sugar profile test.
- The sixth day, I have visited the Biochemistry lab & Practised the sugar profile test.

19/7/23

ACTIVITY LOG FOR THE THIRD WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended the Biochemistry lab in hospital	I observed the Renal Profile test.	@
Day -2	I attended the Biochemistry lab in hospital	I observed the Renal Profile test.	@
Day -3	I attended the Biochemistry lab in hospital	I observed the renal profile test	@
Day -4	I attended the Biochemistry lab in hospital.	I observed the renal profile test	@
Day -5	I attended the Biochemistry lab in hospital	I Practised the Renal Profile test	@
Day -6	I attended the Biochemistry lab in hospital	I Practised the Renal Profile test	@

prajna

WEEKLY REPORT

WEEK - 15 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

on the first day of fifteenth week, I have observed & learnt about the Renal Profile test.

The second day, I have observed & learnt about the Renal Profile test.

on the third day, I have observed & learnt about the Renal Profile test.

on the fourth day, I have observed & learnt about the Renal Profile test.

on the fifth day, I practised the Renal Profile test.

The sixth day, I have practised the Renal Profile test.

Prof. Dr.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Interns work environment is one of the report of interns quality addressed in their report interaction with the people in hospital. They are very supportive of their medical department with the people in hospital. They are very supportive & encouraged very well.

In hospital so many facilities are available which are very helpful to the patients. I have an interaction with the professors & teachers, I have learned so many things about the medical department. They teach us every management process & also our team work & how to socialize with patients.

Free management is available in the hospital & the money for the treatment is also free & services for the poor people.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are some technical skills, I have acquired from this internship.

I had learned to hold communication & build relationships with the people who worked with me. I learned that every department has its own culture.

I have learned the blood sample collection technique in the laboratory.

I observed & learnt about the process of centrifugation & its importance in the laboratory.

I learned the importance of the accuracy & also, I am able to know how to analyze to data.

Page No. 19/7/23

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc).

There are also some managerial skills, I had acquired in this internship. I learned how to effectively deal with the people & developing managerial skills is more important to all professional as a learner.

I planned about dealing with subject to some people for the interaction & we arranged our work place culture for productive use of time

we have kept notes for the observation.

I had an discussion about all things & guys in our working style.

As for the final day, I have discussed about our performance is upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

I have improved my communication skills in this internship at the Government General Hospital in Ernakulam.

I have allotted to the Biochemistry department. As I have been interacting with the teachers & lab technician students after the work. Daily, we have an interaction with the people in the hospital which has improved my communication skills.

I have an interaction with the Patients in hospital on their disease, which has improved my understanding others & also lab communication skills. one week, I allotted to the sample collection work which improves my anxiety management & improved maintaining niceties & closing the conversation.
greeting,

Describe how could you enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The government has taken a big decision in implementing the technology in medical department system to amplify digital transformation of hospitals.

I have been enhance my abilities in this internship. In this period of time due to the group discussions & classes were taken by the group discussions & classes were taken by the teachers to enhance our knowledge & we are practising practically in the hospital. Once in a day they have arranged group discussion for the patients health case.

I have also participated in the team work conducted by the department head in the hospital. In the form of teams only we practised & participated in several activities like sample collection & the form given to the patients in this we have to check & tell to them. In this way we enhance our abilities & knowledge & communication skills.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The government has taken a big decision in implementing technology in medical department system to amplify transformation of hospitals.

The Government General Hospital in Srikakulam department of Vascular & Endovascular surgery at government general hospital offers treatment for various conditions related to vascular system.

Our exceptional team of specialised & advanced health care technology deliver the best treatment outcomes for each patient that they are able to live a happy healthy life.

- Patients with the best health care
- Innovative medicine
- Advanced technology
- Treatment for a healthy life style

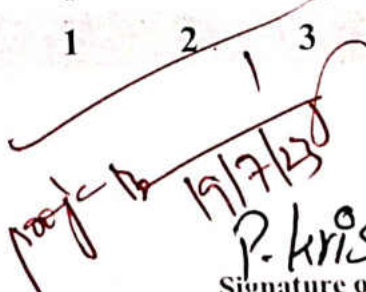

Student Self Evaluation of the Short-Term Internship

Student Name:	Paidi. Krishnaveni	Registration No:	20220011
Term of Internship:	From: 24/12/2022	To:	19-3-2023
Date of Evaluation:			
Organization Name & Address:	Rajiv Gandhi Institute & medical science (RIMS), GGH Balasa, Sri kakulam		

Please rate your performance in the following areas:

Rating Scale: Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
