

Model Program Book

SEMESTER INTERNSHIP

Designed & Developed by

ANDHRA PRADESH
STATE COUNCIL OF HIGHER EDUCATION

(A STATUTORY BODY OF GOVERNMENT OF ANDHRA PRADESH)

PROGRAM BOOK FOR
SEMESTER INTERNSHIP

Name of the Student: D. Moulinwarappa

Name of the College: Government Degree College (14th)
Srikakulam

Registration Number: 2022001123024

24/01/23 to 25/02/23

Duration of Internship: 4 months

Name & Address of the Internship Organization

Prof. Gandhi Institute of Medical
Sciences, "Srikakulam"

Andhra Pradesh **University**

3rd YEAR

An Internship Report on
Medical Laboratories Internship.

(Title of the Semester Internship Program)

Submitted in accordance with the requirement for the degree of
Biotechnology [Bt-Z-C]

Under the Faculty Guideship of
Dr. V. Vamsi Kumar.

(Name of the Faculty Guide)

Department of
Biotechnology, Govt Degree College (men) Saikakulam.
(Name of the College)

Submitted by:
P. Houliswarapu.
(Name of the Student)

Reg.No: 2022001123024

RAJIV GANDHI INSTITUTE OF MEDICAL
SCIENCES, SRIKAKULAM – 532001 (A.P)

This is to certify that R. Mouliswara Rao (Name of intern) of
Government Degree college (men) SKRM (Name of the college)
Underwent internship in Rajiv Gandhi Institute of Medical Sciences
— (Name of the Intern Organization) from 24/02/23 to 19/03/23
Timings 9am to 1pm has successfully completed the *internship for*
Four Months during the above period.

The overall performance of the inter
during his/her internship is found to be

Professor and HOD
Department of Biochemistry

Professor & HOD
Department of Biochemistry
Government Medical College
Srikakulam-532001

GMC/GGH Srikakulam

Student's Declaration

I, R. 140 ulsuvu a/Reo a student of Internship
Program, Reg. No. 2022001123024 of the Department of Biotechnology Govt (men)
College do hereby declare that I have completed the mandatory internship Soikakulam
from 27/12/22 to 25/04/23 in RHS Hospital (Name of
the intern organization) under the Faculty Guideship of
Dr. J. Vamsi Kumar (Name of the Faculty Guide), Department of
Biotechnology, Government Degree college (men) Soikakulam
(Name of the College)

R. 140 ulsuvu a/Reo.
(Signature and Date)

Contents

Chapter 1 :- Executive Summary

Chapter 2 :- Overview of the Organization

Chapter 3 :- Internship Plan

Chapter 4 :- Weekly Report and Activity Log;

:- Activity log for week - 1 and weekly report.

:- Activity log for week - 2 and weekly report.

:- Activity log for week - 3 and weekly report.

:- Activity log for week - 4 and weekly report.

:- Activity log for week - 5 and weekly report.

:- Activity log for week - 6 and weekly report.

:- Activity log for week - 7 and weekly report.

:- Activity log for week - 8 and weekly report.

:- Activity log for week - 9 and weekly report.

:- Activity log for week - 10 and weekly report.

Chapter 5 :- Outcomes Description:-

- * Describe the real time technical skills you have acquired
- * Describe the managerial skills you have acquired.
- * Describe how you could improve your communication skills
- * Describe how you could enhance your abilities.
- * Describe the technological developments you have observed and relevance to the subject area of training.

Acknowledgements

The Successful completion of this Internship report could not have been Possible without the Support and assistance of many Individuals and Organizations

I feel Immensely blessed to have gotten this during the Course of my Internship Program of four months

I would like to take this opportunity to offer my ^{earnest} respect administration to each and ~~every one~~ of them involved in this Programme,

I am indebted to my college teacher and Principal for their vision, encouragement and Enduring interest in the Internship. And my Special thanks must be given to the teachers and lab technician Students of Govt general Hospital, Srikakulam.

For their Feed back, which achieved my Skills and development.

My last and most important thanks like to all those whose made this report Possible and become a reality with their kind assistance

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

I joined in the internship in the department at Government General Hospital Medical department

I visited the place in the organisation name is Government General Hospital

I choose ~~medical~~ department to know the current status of the hospital and difference from the best so many patients and observed many things.

I got to know that there are other accident areas which has to be improved.

I interacted ~~with~~ the patients and doctors and know so many things and learned a lot of problems,

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

I worked in the medical department as an intern in Government General Hospital Srikakulam. Medical department plays an independent role in every sector. I observed many things in the hospital. Different categorized faculty are serving the patients very well. My work and experience as an intern in hospital was very appreciated. I interacted with my senior faculty members with honours. I spend nearly 6 hours with the faculty in the lab of the hospital and I got to know the various medical machines which are used for various tests.

The organization which I had worked in medical field. The Government General Hospital was well organized with patients and well skilled faculty with well mannered behaviour.

In my point of view the organized I had worked was very good with full of patients with good treatment and with well experienced and work alcoholic doctors and Nurses.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

I worked in Government General Hospital, Srikulam in the department of medical. I worked in the lab. I did many tests like Blood count, gram staining process, and total etc...

In the lab. they are two sectors of departments are held. They are microbiology and Biochemistry.

They were many machines with highly sophisticated techniques and tools are there for conducting various tests with full of alertness and with full of self caring during collection of blood samples.

I conducted many tests like blood sample determination etc. under the supervision of my Sir (Dr) academics.

After the work we used to clean our hand very well with sanitizers.

Due to this internship I got to know the various duties and various tests for it to concluded and report them with modern superficial technology.

ACTIVITY LOG FOR THE FIRST WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	we have joined in the five internship organization i.e. Government General hospital.	we observed the surrounding and hospital inside.	CE
Day - 2	Interaction & meeting with the staff and lab. Technicians about the disposal waste in the different dust bins.	Learned how disposal waste in different colour bins.	CE
Day - 3	They divided students into different departments. I was allotted in the blood bank. I observed cross matching and blood grouping.	I. Learn how to do blood grouping and cross matching and separation of platelets.	CE
Day - 4	I was allotted microbiology lab it is also known as culture lab.	I observed the process of taking a sample blood.	CE
Day - 5	I was observed to the blood sample ward.	I observed the instrumentation in the microbiology lab.	CE
Day - 6	my daily activity done at sample collection.	I collected the sample from the patient.	CE

WEEKLY REPORT

WEEK - 1 (From Dt. 24/12/23 to Dt. 31/12/23)

Objective of the Activity Done:

Detailed Report:

In this entire 1st day we have joined in the given internship organization, I.e., GGH. we observed this surrounding and hospital inside.

In this 2nd day interaction and meeting with the staff and lab technicians about the disposal ~~next~~ in the different ~~dest~~ bins ~~learned~~ know disposal ~~next~~ in the ~~for~~ different colour bins.

In this 3rd day they divided students in to different department I was allotted in the bloodbank. I observed cross matching and blood grouping. I learn how to do blood grouping and cross matching.

In this 4th day I was allotted microbiology lab it is also known as culture lab I observed this instrumentation in the microbiology lab.

In this 5th day I was observed to the blood sample received. I observed this process a taking of sample blood.

In this 6th day I daily activity ~~then~~ done at sample collection I collected sample from the patient.

ACTIVITY LOG FOR THE SECOND WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital.	I observed the staining test in microbiology lab.	
Day - 2	I was attended in the microbiology lab in hospital.	I observed the process of gram staining process.	
Day - 3	I was attended in the microbiology lab in hospital.	I observed the practicing of gram staining process.	
Day - 4	I was attended in the microbiology lab in hospital.	I observed the practicing of gram staining process.	
Day - 5	I was attended in the microbiology lab in hospital.	I observed the practicing of gram staining process.	
Day - 6	I was attended in the microbiology lab in hospital.	I observed the practicing of gram staining test.	

WEEKLY REPORT

WEEK - 2 (From Dt. 2/4/23 to Dt. 8/1/23)

Objective of the Activity Done:

Detailed Report:

In this entire 1st day I was attended in the microbiology lab in hospital. I observed the staining test in microbiology lab.

In this 2nd day, I was attended in the microbiology lab in hospital, I observed the process of gram staining process.

In this 3rd day, I was attended in the microbiology lab in hospital, I observed the ~~Practising~~ gram staining test.

In this 4th day, I was attended in the microbiology lab in hospital, I observed the ~~Practising~~ gram staining test.

In this 5th day, I was attended in the microbiology lab in hospital, I observed the ~~Practising~~ gram staining test.

In this 6th day, I was attended in the microbiology lab in hospital. I observed the ~~Practising~~ gram staining test.

ACTIVITY LOG FOR THE THIRD WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital.	I observed the culturing procedure of Sputum test.	
Day - 2	I was attended in the microbiology lab in hospital.	I observed the culturing procedure of Sputum test.	
Day - 3	I was attended in the microbiology lab in hospital.	I observed the culturing procedure of Sputum test.	
Day - 4	I was attended in the microbiology lab in hospital.	I observed the instrument process of blood agar test.	
Day - 5	I was attended in the microbiology lab in hospital.	I observed the blood agar test.	
Day - 6	I was attended in the microbiology lab in hospital.	we have brief discussion observation about the blood agar test.	

page 1 19/7/23

WEEKLY REPORT
WEEK - 3 (From Dt...04/1/23 to Dt...16/1/23)

Objective of the Activity Done:

Detailed Report: I was on 1st day I was attended in the microbiology lab in hospital, I observed the process of blood sample collection.

I was 2nd day. I was attended in the microbiology lab in hospital. I observed the process of blood sample collection.

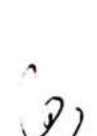

I was 3rd day, I was attended in the microbiology lab in hospital, I observed the process of blood sample collection.

I was 4th day, I was attended in the microbiology lab in hospital. I observed the process of blood sample collection.

I was 5th day. I was attended in the microbiology lab in hospital. I observed the process of blood sample collection.

I was 6th day. I was attended in the microbiology lab in hospital. I observed the process of blood sample collection.

ACTIVITY LOG FOR THE FORTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I was attended in the microbiology lab in hospital	I observed the sample collection for sputum test.	
Day -2	I was attended in the microbiology lab in hospital	I learnt instructions and process about sensitivity test.	
Day -3	I was attended in the microbiology lab in hospital.	I observed the culturing and result of the sputum test.	
Day -4	I was attended in the microbiology lab in hospital.	I observed that know the pus sample collected from patient.	
Day -5	I was attended in the microbiology lab in hospital.	I observed the procedure of pus sample test.	
Day -6	I was attended in the microbiology lab in hospital.	I observed the pus sample test.	

Objective of the Activity Done:

Detailed Report:

I was entire 1st day. I was attended in the microbiology lab in hospital. I observed the culturing Procedure of Sputum test.

I was 2nd day. I was attended in the microbiology lab in hospital. I observed the culturing Procedure of Sputum test.

I was 3rd day. I was attended in the microbiology lab in hospital. I observed the culturing procedure of Sputum test.

I was 4th day. I was attended in the microbiology lab in hospital. I observed the instrumental process of blood agar test.

I was 5th day. I was attended in the microbiology lab in hospital. I observed the blood agar test.

I was 6th day. I was attended in the microbiology lab in hospital. I observed the discussion about blood agar test.

WEEKLY REPORT
WEEK - 4 (From Dt. 17/1/23 to Dt. 24/1/23)

Objective of the Activity Done:

Detailed Report:

I was - Entire 1st day - I was attended in - the microbiology lab in hospital. I observed the culturing Procedure of Sputum test.

I was 2nd day - I was attended in - the microbiology lab in hospital. I observed the culturing Procedure of Sputum - test.

I was 3rd day. I was attended in the microbiology lab in hospital. I observed the culturing procedure of Sputum test.

I was 4th day. I was attended in the microbiology lab in hospital. I observed - the instrumentⁿ process of blood agar test.

I was 5th day. I was attended in the microbiology lab in hospital. I observed - the blood agar test.

I was 6th day. I was attended in the microbiology lab in hospital. I observed - the discussion about blood agar - test.

ACTIVITY LOG FOR THE FIFTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I was attended in the Microbiology Lab in hospital	I observed the Sample collection for Sputum test.	<u>Aue</u>
Day -2	I was attended in the Microbiology Lab in hospital	I learnt intimate details and process about Sensitivity test	<u>Aue</u>
Day -3	I was attended in the Microbiology Lab in hospital	I observed the culturing and result of the Sputum test	<u>Aue</u>
Day -4	I was attended in the Microbiology Lab in hospital	I observed that know the Pus Sample collected from patients	<u>Aue</u>
Day -5	I was attended in the Microbiology Lab in hospital	I observed the Procedure of Pus Sample test	<u>Aue</u>
Day -6	I was attended in the Microbiology Lab in hospital.	I observed the Pus Sample test.	<u>Aue</u>

WEEKLY REPORT
WEEK - 5 (From Dt. 25/1/22 to Dt. 30/1/22)

Objective of the Activity Done:

Detailed Report:

I was entire 1st day. I was attended in the microbiology lab in hospital. I observed the Sample Collection for Sputum test.

I was 2nd day. I was attended in the microbiology lab in hospital. I learnt instrument and power about Sensitivity test.

I was 3rd day. I was attended in the microbiology lab in hospital. I observed the culturing and results of the Sputum Patient.

I was 4th day. I was attended in the microbiology lab in hospital. I observed that know pus sample collected from Patient.

I was 5th day. I was attended in the microbiology lab in hospital. I observed the procedure of pus Sample test.

I was 6th day. I was attended in the microbiology lab in hospital. I observed the procedure of pus Sample test.

ACTIVITY LOG FOR THE SIXTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital	I observed the Process of Ziehl Neelsen Stain	<u>Amu</u>
Day - 2	I was attended in the microbiology lab in hospital	I observed the Practising of Ziehl Neelsen Stain.	<u>Amu</u>
Day - 3	I was attended in the microbiology lab in hospital	I observed the Practising of Ziehl Neelsen Stain.	<u>Amu</u>
Day - 4	I was attended in the microbiology lab in hospital	I observed the Practising of Ziehl Neelsen Stain.	<u>Amu</u>
Day - 5	I was attended in the microbiology lab in hospital	I observed the Practising of Ziehl Neelsen Stain	<u>Amu</u>
Day - 6	I was attended in the microbiology lab in hospital	I observed the Practising of Ziehl Neelsen Stain.	<u>Amu</u>

WEEKLY REPORT
WEEK - 6 (From Dt. 31/1/23 to Dt. 6/12/23)

Objective of the Activity Done:

Detailed Report:

I was online 1st day. I was attended in the microbiology lab in hospital. I observed the process of Ziehl Neelsen Stain.

I was 2nd day. I was attended in the microbiology lab in hospital. I observed the process of Ziehl Neelsen Stain.

I was 3rd day. I was attended in the microbiology lab in hospital. I observed the process of Ziehl Neelsen Stain.

I was 4th day. I was attended in the microbiology lab in hospital. I observed the process of Ziehl Neelsen Stain.

I was 5th day. I was attended in the microbiology lab in hospital. I observed the process of Ziehl Neelsen Stain.

I was 6th day. I was attended in the microbiology lab in hospital. I observed the process of Ziehl Neelsen Stain.

ACTIVITY LOG FOR THE SEVEN WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the microbiology lab in hospital	I observed the washing of Petridish-test-tube in microbiology	<u>Aw</u>
Day - 2	I was attended in the microbiology lab in hospital	I learnt the washing of Petridish test-tube in microbiology	<u>Aw</u>
Day - 3	I was attended in the microbiology lab in hospital	I learnt the washing of Petridish test-tube in microbiology	<u>Aw</u>
Day - 4	I was attended in the microbiology lab in hospital.	I learnt the washing of Petridish test-tube in microbiology	<u>Aw</u>
Day - 5	I was attended in the microbiology lab in hospital.	I learnt the washing of Petridish test-tube in microbiology	<u>Aw</u>
Day - 6	I was attended in the microbiology lab in hospital.	I learnt the washing of Petridish test-tube in microbiology.	<u>Aw</u>

WEEKLY REPORT

WEEK - 7 (From Dt. 21/12/23 to Dt. 27/12/23)

Objective of the Activity Done:

Detailed Report:

I was entire 1st day. I was attended in the microbiology lab in hospital. I observed the working of Petridish test tube microbiology.

I was 2nd day. I was attended in the microbiology lab in hospital. I learnt the working of petridish test tube in microbiology.

I was 3rd day. I was attended in the microbiology lab in hospital. I learnt the working of petridish test tube in microbiology.

I was 4th day. I was attended in the microbiology lab in hospital. I learnt the working of petridish test tube in microbiology.

I was 5th day. I was attended in the microbiology lab in hospital. I learnt the working of petridish test tube in microbiology.

I was 6th day. I was attended in the microbiology lab in hospital. I learnt the working of petridish test tube in microbiology.

ACTIVITY LOG FOR THE EIGHTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I was attended in the Ictc lab in hospital.	I observed the kits and equipment in lab.	<i>Ans</i>
Day -2	I was attended in the Ictc lab in hospital.	I observed the Counselling Skills	<i>Ans</i>
Day -3	I was attended in the Ictc lab in hospital.	I observed the Rapid test Signal HIV	<i>Ans</i>
Day -4	I was attended in the Ictc lab in hospital.	I observed the Rapid test Signal HIV	<i>Ans</i>
Day -5	I was attended in the Ictc lab in hospital.	I observed the rapid test Signal HIV	<i>Ans</i>
Day -6	I was attended in the Ictc lab in hospital.	I observed the rapid test Signal HIV	<i>Ans</i>

WEEKLY REPORT

WEEK - 8 (From Dt: 14/1/23 to Dt: 20/2/23)

Objective of the Activity Done:

Detailed Report: I was entire 1st day. I was attended in the Ictc lab in hospital. I observed the kits and equipments in lab.

I was 2nd day. I was attended in the Ictc lab in hospital. I observed the counselling skills.

I was 3rd day. I was attended in the Ictc lab in hospital. I observed the rapid test Signal HIV.

I was 4th day. I was attended in the Ictc lab in hospital. I observed the rapid test Signal HIV.

I was 5th day. I was attended in the Ictc lab in hospital. I observed the rapid test Signal HIV.

I was 6th day. I was attended in the Ictc lab in hospital. I observed the rapid test Signal HIV.

ACTIVITY LOG FOR THE NINTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I was attended in the Ictc lab in hospital.	I observed in the rapid test meri Screen HIV-1-2	<u>Am</u>
Day -2	I was attended in the Ictc lab in hospital	I observed in the rapid test meri Screen HIV-1-2.	<u>Am</u>
Day -3	I was attended in the Ictc lab in hospital	I observed in the rapid test meri Screen HIV-1-2.	<u>Am</u>
Day -4	I was attended in the Ictc lab in hospital	I observed in the rapid test meri Screen HIV-1-2	<u>Am</u>
Day -5	I was attended in the Ictc lab in hospital	I observed in the rapid test meri Screen HIV 1-2	<u>Am</u>
Day -6	I was attended in the Ictc lab in hospital.	I observed in the rapid test meri Screen HIV 1-2	<u>Am</u>

WEEKLY REPORT
WEEK - 9 (From Dt. 22/02/23 to Dt. 27/02/23)

Objective of the Activity Done:

Detailed Report:

I was entire 1st day. I was attended in the ICTC lab in hospital. I observed rapid test meri Screen HIV 1-2

I was 2nd day. I was attended in the ICTC lab in hospital. I observed rapid test meri Screen HIV 1-2

I was 3rd day. I was attended in the ICTC lab in hospital. I observed rapid test meri Screen HIV 1-2

I was 4th day. I was attended in the ICTC lab in hospital. I observed rapid test meri Screen HIV 1-2

I was 5th day. I was attended in the ICTC lab in hospital. I observed rapid test meri Screen HIV 1-2

I was 6th day. I was attended in the ICTC lab in hospital. I observed rapid test meri Screen HIV 1-2

ACTIVITY LOG FOR THE TENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I was attended in the ITC lab in hospital	I observed this Rapid test Comb kit	<u>Ans</u>
Day - 2	I was attended in the ITC lab in hospital	I observed this Rapid test Comb kit	<u>Ans</u>
Day - 3	I was attended in the ITC lab in hospital.	I observed this Rapid test Comb kit	<u>Ans</u>
Day - 4	I was attended in the ITC lab in hospital.	I observed this Rapid test Comb kit	<u>Ans</u>
Day - 5	I was attended in the ITC lab in hospital.	I observed this Rapid test Comb kit	<u>Ans</u>
Day - 6	I was attended in the ITC lab in hospital.	I observed this Rapid test Comb kit	<u>Ans</u>

WEEKLY REPORT
WEEK - 10 (From Dt. 28/12/24 to Dt. 6/3/25)

Objective of the Activity Done:

Detailed Report: ~~I was attended~~ ^{entering} 1st day I was attended in the ICTC lab in hospital. I observed this rapid test comb AIDS.

I was 2nd day. I was attended in the ICTC lab in hospital. I observed this rapid test comb AIDS.

I was 3rd day. I was attended in the ICTC lab in hospital. I observed this rapid test comb AIDS.

I was 4th day. I was attended in the ICTC lab in hospital. I observed this rapid test comb AIDS.

I was 5th day. I was attended in the ICTC lab in hospital. I observed this rapid test comb AIDS.

I was 6th day. I was attended in the ICTC lab in hospital. I observed this rapid test comb AIDS.

ACTIVITY LOG FOR THE ELEVENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I have visited the hospital and attended the biochemistry lab	I observe the process of blood sample collection	(a)
Day - 2	I visited the hospital and attended the biochemistry lab	I observed the process of blood sample collection	(a)
Day - 3	I was attended to the biochemistry lab in hospital	I observed the blood sample collection	(a)
Day - 4	I was attended in the biochemistry lab in hospital	I observed the blood sample collection	(a)
Day - 5	I was attended to the biochemistry lab in hospital	I observed the blood sample collection	(a)
Day - 6	I was attended to the biochemistry lab in hospital	I observed the blood sample collection	(a)

WEEKLY REPORT
WEEK - 11 (From Dt. 7/3/23 to Dt. 12/3/23)

Objective of the Activity Done:

Detailed Report:

I was entire 1st day. I have visited the hospital and attached the biochemistry lab. I observed the process of blood sample collection.

I was 2nd day I visited the hospital and the biochemistry lab. I observed the process of blood sample collection.

I was 3rd day I attempted to the biochemistry lab in hospital. I observed the blood sample collection.

I was 4th day I attempted to the biochemistry lab in hospital. I observed the blood sample collection.

I was 5th day I have practiced about the serum creatinine test.

ACTIVITY LOG FOR THE TWELVETH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the Biochemistry lab in the hospital	I observed about the fluid test	(C)
Day - 2	I attended to the Biochemistry lab in the hospital	I observed about the fluid test	(C)
Day - 3	I attended to the Biochemistry lab in the hospital	I observed about the fluid test	(C)
Day - 4	I attended to the Biochemistry lab in the hospital	I observed about the fluid	(C)
Day - 5	I attended to the Biochemistry lab in the hospital	I practical about the fluid test	(C)
Day - 6	I attended to the Biochemistry lab in the hospital	I practiced about the fluid test	(C)

WEEKLY REPORT
WEEK - 12 (From Dt. 13/3/23 to Dt. 19/3/23)

Objective of the Activity Done:

Detailed Report:

- on the first day of twelfth week, I have observed and learnt about the fluid test.
- The second day I have observed and learnt about the fluid test.
- on the third day I have observed and learnt about the fluid test.
- The fourth day I have observed and learnt about the fluid test.
- on the fifth day I have practised about the fluid test.
- The sixth day I have practised the fluid test.

ACTIVITY LOG FOR THE THIRTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended to the Biochemistry lab in the hospital	I observed about blood sample collection	@
Day -2	I attended to the Biochemistry lab in the hospital	I observed about blood sample collection	@
Day -3	I attended to the Biochemistry lab in the hospital	I observed about blood sample collection	@
Day -4	I attended to the Biochemistry lab in the hospital	I observed about blood sample collection	@
Day -5	I attended to the Biochemistry lab in the hospital	I practiced about blood sample collection	@
Day -6	I attended to the Biochemistry lab in the hospital	I practiced about blood sample collection	@

WEEKLY REPORT

WEEK - 13 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

- on the first day of this fourth week, I have observed and learnt about the blood sample collection.
- The second day, I have observed and learnt about the blood sample collection.
- on the third day, I have observed and learnt about the blood sample collection.
- The fourth day, I have observed and learnt about the blood sample collection.
- on the fifth day, I have practised about the blood sample collection.
- The sixth day, I have practised about the blood sample collection.

ACTIVITY LOG FOR THE FOURTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry lab in the hospital.	I observed about sugar profile test	(u)
Day - 2	I attended to the biochemistry lab in the hospital	I observed about sugar profile test	(u)
Day - 3	I attended to the biochemistry lab in the hospital	I observed about sugar profile test	(u)
Day - 4	I attended to the biochemistry lab in the hospital	I observed about sugar profile test	(u)
Day - 5	I attended to the biochemistry lab in the hospital	I practiced about sugar profile test	(u)
Day - 6	I attended to the biochemistry lab in the hospital	I practiced about sugar profile test	(u)

WEEKLY REPORT

WEEK - 14 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

- on the first day, I have fourteenth week. I have observed and learnt about the sugar profile test.
- The second day, I have observed and learnt about the sugar profile test.
- on the third day, I have observed and learnt about the sugar profile test.
- The fourth day, I have observed and learnt about the sugar profile test.
- on the fifth day, I have practiced about the sugar profile test.
- The sixth day, I have practiced about the sugar profile test.

ACTIVITY LOG FOR THE FIFTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry lab in the hospital	I observed about renal profile test	(u)
Day - 2	I attended to the biochemistry lab in the hospital	I observed about renal profile test	(u)
Day - 3	I attended to the biochemistry lab in the hospital	I observed about renal profile test	(u)
Day - 4	I attended to the biochemistry lab in the hospital	I observed about renal profile test	(u)
Day - 5	I attended to the biochemistry lab in the hospital	I practiced about renal profile test	(u)
Day - 6	I attended to the biochemistry lab in the hospital	I practiced about renal profile test.	(u)

WEEKLY REPORT

WEEK - 15 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

→ on the first day of fifteenth week I have observed and learnt about the renal profile test.

→ The second day, I have observed and learnt about the renal profile test.

→ On the third day, I have observed and learnt about the renal profile test.

→ The fourth day I have observed and learnt about the renal profile test.

→ on the fifth day, I have practiced about the renal profile test.

→ the sixth day I have practiced about the renal profile test.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are many technical skills that I have acquired from this medical internship. I have to know about how to put my knowledge and skills into the practice such as an intern in medical field. I learned how to communicate and build relationship with the people I had been worked.

I learned that every department of organization has its own importance and role.

As an intern, I discovered its essential to be take the importance of the work of the medical field and its content for future. I learned that sometimes asking for feedback or receiving feedback is difficult to her but it will have a significant impact on your future career and success.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

we have improved more about the lab and medical tests and various disease etc. and many medical procedure in this internship at Government General Hospital in the department of medical.

As we have been interacted with the faculty of the lab technicians and nurses etc. as we assigned to work and to learn more about every medical test and its importance. At first time we feel very time, but now we are confident while communication as we conversating understanding others.

we also come to getting understand by other improved our speech skills from prepared level to extempore level we have developed from a student to an intern we also developed so much of interacting skills in our way which made students better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The Government General Hospital Solikulam
Department of Vascular and Endovascular Surgery of Government
General Hospital offers treatment for various condition related
to Vascular System. Our vascular care center deliver intervention
in blood vessels.

Our Exceptional team of Specialisation and advanced
health care technology deliver the best treatment outcomes for
each patient. Be able to live a healthy and happy life.

- ⇒ Patients with the best health care.
- ⇒ Innovative medicines.
- ⇒ Advanced technology
- ⇒ Treatment for a healthy life style.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The Government has taken a big step in implementing technology in medical system to simplify digital and medical modern technological transformation for hospitals.

The Government General Hospital Sakabulam now with modern sophisticated devices in the procedure.

The HR and medical Superintendent updates the information of hospital through their valuable words. They scan faces and taken the attendance of all students for checking.

The present system followed and upgraded and enriched in every student. We have also used the technological devices for every task related to internship. Everyone in the internship work learned very enthusiastically for everyone is future.

In the lab where are used sophisticated expensive with modern technological devices are there for concluded, investigate every report for the test accurately.

Student Self Evaluation of the Short-Term Internship

Student Name: <u>R. Moulikumar Rao,</u>	Registration No: <u>2022001123024</u>
Term of Internship: _____	From: _____ To: _____
Date of Evaluation: _____	
Organization Name & Address: <u>Rajive Gandhi Institute of Medical Science (RIMS), GGH</u>	

Please rate your performance in the following areas:

Rating Scale: Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
8	Work Plan and organization	1	2	3	4	5
9	Professionalism	1	2	3	4	5
10	Creativity	1	2	3	4	5
11	Quality of work done	1	2	3	4	5
12	Time Management	1	2	3	4	5
13	Understanding the Community	1	2	3	4	5
14	Achievement of Desired Outcomes	1	2	3	4	5
15	OVERALL PERFORMANCE	1	2	3	4	5

Date: _____

19/7/23

R. Moulikumar Rao,
Signature of the Student

Evaluation by the Supervisor of the Intern Organization

Student Name:	R. Mouliswara Rao		Registration No:	2022001/23024
Term of Internship:	From:		To:	medical
Date of Evaluation:				
Organization Name & Address:	Jyoti Gandhi Institute of Science Srikulavay			
Name & Address of the Supervisor with Mobile Number				

Please rate the student's performance in the following areas:

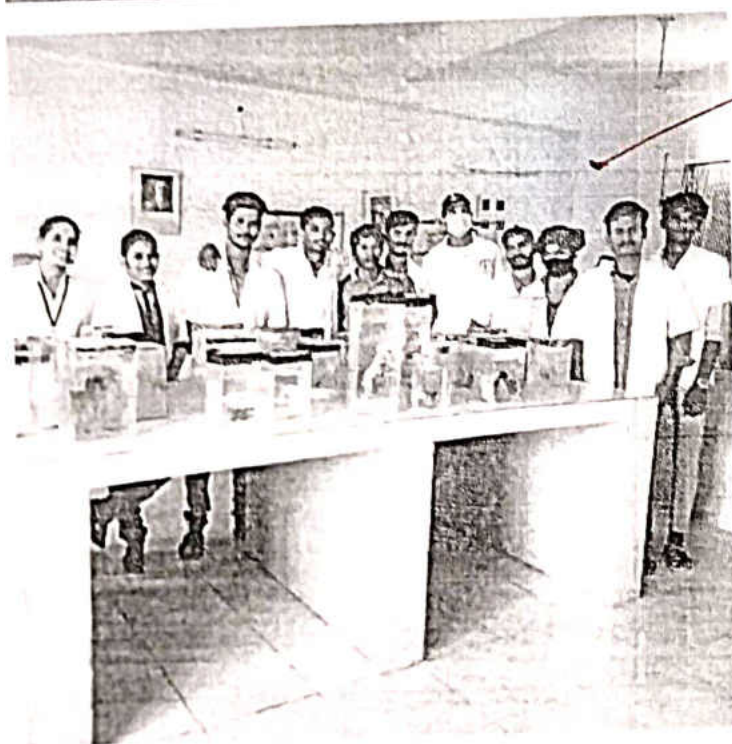

Please note that your evaluation shall be done independent of the Student's self-evaluation

Rating Scale: 1 is lowest and 5 is highest rank

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
8	Work Plan and organization	1	2	3	4	5
9	Professionalism	1	2	3	4	5
10	Creativity	1	2	3	4	5
11	Quality of work done	1	2	3	4	5
12	Time Management	1	2	3	4	5
13	Understanding the Community	1	2	3	4	5
14	Achievement of Desired Outcomes	1	2	3	4	5
15	OVERALL PERFORMANCE	1	2	3	4	5
