

Model Program Book

SEMESTER INTERNSHIP

Designed & Developed by

**ANDHRA PRADESH
STATE COUNCIL OF HIGHER EDUCATION**

(A STATUTORY BODY OF GOVERNMENT OF ANDHRA PRADESH)

An Internship Report on
Medical Laboratories Internship

(Title of the Semester Internship Program)

Submitted in accordance with the requirement for the degree of

Under the Faculty Guideship of

Dr. Y. Vamsikumar

(Name of the Faculty Guide)

Department of

Government Degree College (MEN) SriKakulam.

(Name of the College)

Submitted by:

R. Nonika Divya

(Name of the Student)

Reg.No: 2022001123025

Department of Biotechnology

Government Degree College (MEN) SriKakulam.

(Name of the College)

Student's Declaration

I, R. Nonika Diuya, a student of Internship Program, Reg. No. 2022001123025 of the Department of Biotechnology GDC(men) SriKakulam College do hereby declare that I have completed the mandatory internship from 27-12-22 to 19-3-23 in RIMS Hospital (Name of the intern organization) under the Faculty Guideship of Dr. Y. Vamsi Kumar (Name of the Faculty Guide), Department of Biotechnology Government Degree college (Men) SriKakulam (Name of the College)

R. Diuya
(Signature and Date)

RAJIV GANDHI INSTITUTE OF MEDICAL
SCIENCES, SRIKAKULAM – 532001 (A.P)

This is to certify that R. Nonika Diuya (Name of intern) of
Government college Degree (men) Srikakulam (Name of the college)
Underwent internship in Rajiv Gandhi institute of medical Science
Srikakulam (Name of the Intern Organization) from 27-12-2022 to 19-3-2023
Timings 9 am - 1 pm has successfully completed the internship for
Four Months during the above period.

The overall performance of the inter
during his/her internship is found to be

C. Salma
Professor and HOD
Dr. N. SARADAMBA, M.D
Department of Biochemistry
Department of Bio Chemistry
Government Medical College
SRIKAKULAM-532 001
GMC/GGH Srikakulam

D. Bhante 14.6.23
Authorized Signatory
Dr. C. BHANTE PRAKASH
Regd.No. 18177
Civil Surgeon R.M.O
Withodadanda Hospital
SRIKAKULAM

Official Certification

This is to certify that R. Nonika Divya (Name of the student) Reg. No. 2022001123025 has completed his/her Internship in RIMS Hospital (Name of the Intern Organization) on Medical Laboratories Internship (Title of the Internship) under my supervision as a part of partial fulfillment of the requirement for the Degree of BSC. Biotechnology in the Department of Govt Degree College(men) (Name of the College).
Srikakulam

This is accepted for evaluation.

Acknowledgements

The successful completion of this internship report would not have been possible without the support and assistance of many individuals and organization. I feel immensely blessed to have gotten this during the course of my internship program of ~~four~~ months. I would like to thank each and every one of them involved in this programme.

I am intented to my college teacher and principal for their vision, encouragment and enduring interest in the internship. And my special thanks must be given to the teachers and lab technician students of Government General hospital, Srikakulam. For their feed back, which achieved my skills and development. My last and most important thanks like to all those whose made this report possible and become a reality with their kind assistance.

Contents

Chapter - 1 : Executive Summary.

Chapter - 2 : Overview of the Organization

Chapter - 3 : Internship Part

Chapter - 4 : Weekly Report and Activity Log

Chapter - 5 : Outcomes Description

* Describe the realtime technical skills you have acquired

* Describe the managerial skills you have acquired

* Describe how you could improve your communication

* Describe how you could enhance your abilities-

* Describe the technological development you have

* Describe and relevant to the subject area of
observed training.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

I joined in the internship in the department at Government General hospital Medical department.

I visited the place in the organisation name is Government General Hospital

I choose medical department to know the current status of the hospital and difference from the last so many patients and observed many things.

I got to know that there are other decided areas which has to be improved.

I interacted with the patients and doctors and know so many things and learned a lot of problems.

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

I joined in the Government General hospital and I worked in the medical department, it plays an very important role in every aspect of humans life. I observed many things in the hospital. There are many people, who worked as nurses, doctors, assistants and who gave lectures like professors, teachers and learning lab technicians students, who gave us full support to learn about every thing in a particular departments. I joined to medical department on . In this I have observed and learned a lot of things in this period of time.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

I have joined in the Government General hospital in a medical department for

In detail of working condition are first timing of 9am to 1pm are working hours in the hospital.

To start on 9am to hospital to observe the departments and medical wards. I observed many patients suffering from the some of the diseases. I observed many patients and in the department to observe the patients blood samples as a results of type of diseases.

This part of internship have more knowledge and gained more information

ACTIVITY LOG FOR THE FIRST WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I have visited the hospital and attended the biochemistry lab	I observed the process of blood sample collection	(A)
Day -2	I visited the hospital and attended the biochemistry lab	I observed the process of blood sample collection	(A)
Day -3	I attended to the biochemistry lab in hospital	I observed the the blood sample collection.	(A)
Day -4	I attended to the biochemistry lab in the hospital	I observed the the blood sample collection	(A)
Day -5	I attended to the biochemistry lab in the hospital	I observed the blood sample collection.	(A)
Day -6	I attended to the biochemistry lab in the hospital	I practised the blood sample collection.	(A)

WEEKLY REPORT

WEEK - 1 (From Dt. 24/12/22 to Dt. 31/12/22)

Objective of the Activity Done:

Detailed Report:

- On the first day of first week, I have observed and learnt about the blood sample collection.
- The second day, I have observed and learnt about the blood sample collection.
- On the third day, I have observed and learnt about the blood sample collection.
- The fourth day, I have observed and learnt about the blood sample collection.
- On the fifth day, I have practised the blood sample collection.
- The sixth day, I have Practised the blood sample collection.

ACTIVITY LOG FOR THE SECOND WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I have visited the hospital and attended the Biochemistry lab	I observed the sugar profile test.	(@)
Day -2	I attended the hospital in biochemistry lab	I observed the sugar profile test	(@)
Day -3	I attended the biochemistry lab in hospital.	I observed the sugar profile test	(@)
Day -4	I attended the biochemistry lab in hospital	I practised the sugar profile test	(@)
Day -5	I attended the biochemistry lab in hospital	I practised the sugar profile test	(@)
Day -6	I attended the biochemistry lab in hospital	I practised the sugar profile test	(@)

WEEKLY REPORT

WEEK - 2 (From Dt. 2-6-23 to Dt. 7-1-23.)

Objective of the Activity Done:

Detailed Report:

- On the first day of the second week, I have visited to the hospital and attended to the Biochemistry lab.
- The Second day of Second week, I have observed and learnt the process of sugar profile test.
- On the third day, I have learnt and observed the process of sugar profile test.
- The fourth day; I have learnt and observed the process of sugar profile test.
- On the fifth day, I have attended the Biochemistry lab in the hospital and practised the sugar profile test.
- The Sixth day, I have visited the Biochemistry lab and practised the sugar profile test.

ACTIVITY LOG FOR THE THIRD WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended the Biochemistry lab in hospital.	I observed the Renal profile test	Ⓐ
Day -2	I attended the Biochemistry lab in hospital.	I observed the Renal profile test.	Ⓐ
Day -3	I attended the Biochemistry lab in hospital.	I observed the Renal profile test	Ⓐ
Day -4	I attended the Biochemistry lab in hospital.	I observed the Renal profile test.	Ⓐ
Day -5	I attended the Biochemistry lab in hospital	I practised the Renal profile test	Ⓐ
Day -6	I attended the Biochemistry lab in hospital.	I practised the Renal profile test	Ⓐ

WEEKLY REPORT

WEEK - 3 (From Dt. 9-1-23 to Dt. 16-1-23)

Objective of the Activity Done:

Detailed Report:

- On the first ^{day} week of third week, I have observed and learnt about the Renal profile test.
- The Second day of third week, I have learnt and observed about the Renal profile test.
- On the third day, I have observed and learnt about the Renal profile test.
- The fourth day, I have learnt and observed about the Renal profile test.
- On fifth day, I have practised Renal profile test in the biochemistry lab.
- On Sixth day, I have practised Renal profile test in the biochemistry lab.

ACTIVITY LOG FOR THE FORTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended the Biochemistry lab in hospital.	I observed the Liver function test	@
Day -2	I attended the Biochemistry lab in hospital	I observed the liver function test	@
Day -3	I attended the Biochemistry lab in hospital	I observed the liver function test	@
Day -4	I attended the Biochemistry lab in hospital	I observed the liver function test	@
Day -5	I attended the Biochemistry lab in day hospital.	I practised the liver function test	@
Day -6	I attended the Biochemistry lab in hospital	I Practised the liver function test.	@

WEEKLY REPORT

WEEK - 4 (From Dt. 17-1-23 to Dt. 24-1-23)

Objective of the Activity Done:

Detailed Report:

- On the first day of Fourth Week, I have observed and learnt about the liver function test.
- The second day, I have learnt and observed about liver function test.
- On the third day, I have observed and learnt about the liver function test.
- The fourth day of fourth week, I have observed and learnt about the liver function test.
- On the fifth day, I have practised the liver function test.
- The Sixth day, I have practised the liver function test.

ACTIVITY LOG FOR THE FIFTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended to the biochemistry lab in hospital	I observed the Serum creatin test	Q
Day -2	I attended to the biochemistry lab in hospital.	I observed the Serum creatin test.	Q
Day -3	I attended to the biochemistry lab in hospital.	I observed the Serum creatin test	Q
Day -4	I attended to the biochemistry lab in hospital.	I observed the Serum creatin test	Q
Day -5	I attended to the biochemistry lab in hospital	I practised the Serum creatin test	Q
Day -6	I attended to the biochemistry lab in hospital	I practised the Serum creatin test	Q

WEEKLY REPORT

WEEK - 5 (From Dt 25-1-23 to Dt 30-1-23)

Objective of the Activity Done:

Detailed Report:

- On the first day of fifth week, I have observed and learnt about the Serum Creatin test.
- The second day, I have observed and learnt about the Serum Creatin test.
- On the third day, I have observed and learnt about the Serum Creatin test.
- On the fourth day, I have observed and learnt about the Serum Creatin test.
- The fifth day, I have practised on Serum creatin test.
- On sixth day, I have practised on Serum Creatin test.

ACTIVITY LOG FOR THE SIXTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended to the biochemistry lab in the hospital	I observed the process of blood sample collection	@
Day -2	I attended to the biochemistry lab in the hospital	I observed the process of blood sample collection	@
Day -3	I attended to the biochemistry lab in the hospital	I observed the process of blood sample collection	@
Day -4	I attended to the biochemistry lab in the hospital	I observed the process of blood sample collection.	@
Day -5	I attended to the biochemistry lab in the hospital	I practised the blood sample collection	@
Day -6	I attended to the biochemistry lab in the hospital	I practised the blood sample collection	@

WEEKLY REPORT

WEEK - 6 (From Dt. 31-1-23 to Dt. 1-2-23)

Objective of the Activity Done:

Detailed Report:

- On the Sixth week of first day , I have observed and learnt about the blood sample collection..
- The Second day , I have observed and learnt about the blood sample collection.
- On the third day, I have observed and learnt about the blood sample collection.
- The fourth day, I have observed and learnt about the blood sample collection.
- On the fifth day, I have practised the blood sample collection .
- The sixth day, I have practised the blood sample collection.

ACTIVITY LOG FOR THE SEVEN WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry lab in the hospital	I observed the sugar profile test	(@)
Day - 2	I attended to the biochemistry lab in the hospital	I observed the sugar profile test	(@)
Day - 3	I attended to the biochemistry lab in the hospital	I observed the sugar profile test	(@)
Day - 4	I attended to the biochemistry lab in the hospital	I observed the sugar profile test	(@)
Day - 5	I attended to the biochemistry lab in the hospital.	I practised the sugar profile test	(@)
Day - 6	I attended to the biochemistry lab in the hospital.	I practised the sugar profile test.	(@)

WEEKLY REPORT

WEEK - 7 (From Dt. 7-2-23 to Dt. 13-2-23)

Objective of the Activity Done:

Detailed Report:

- On the Seventh week of first day, I have observed and learnt about the Sugar profile test.
- The Second day, I have observed and learnt about the Sugar profile test.
- On the third day, I have observed and learnt about the Sugar profile test.
- The fourth day, I have observed and learnt about the Sugar profile test.
- On the fifth day, I have practised about the Sugar profile test.
- The Sixth day, I practised about the Sugar profile test.

ACTIVITY LOG FOR THE FIFTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In Charge Signature
Day - 1	I attended to the biochemistry lab in the hospital	I observed the Liver function test	(@)
Day - 2	I attended to the biochemistry lab in the hospital	I observed the Liver function test	(@)
Day - 3	I attended to the biochemistry lab in the hospital	I observed the Liver function test	(@)
Day - 4	I attended to the biochemistry lab in the hospital	I observed the Liver function test	(@)
Day - 5	I attended to the biochemistry lab in the hospital	I practised the Liver function test	(@)
Day - 6	I attended to the biochemistry lab in the hospital	I practised the Liver function test	(@)

WEEKLY REPORT

WEEK - 8 (From Dt. 14-2-23 to Dt. 20-2-23)

Objective of the Activity Done:

Detailed Report:

- On the eighth week of the first day, I have observed and learnt about the liver function test.
- The second day, I have observed and learnt about the liver function test.
- On the third day, I have observed and learnt about the liver function test.
- The fourth day, I have observed and learnt about the liver function test.
- On fifth day, I practised about the liver function test.
- The sixth day, I practised about the liver function test.

ACTIVITY LOG FOR THE NINETH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I attended to biochemistry lab in the hospital.	I observed the Renal Profile test	@
Day -2	I attended to the biochemistry lab in the hospital.	I observed the Renal Profile test	@
Day -3	I attended to the biochemistry lab in the hospital.	I observed the Renal Profile test	@
Day -4	I attended to the biochemistry lab in the hospital.	I observed the Renal Profile test	@
Day -5	I attended to the biochemistry lab in the hospital	I observed the Renal Profile test	@
Day -6	I attended to the biochemistry lab in the hospital	I observed the Renal profile test	@

WEEKLY REPORT

WEEK - 9 (From Dt 22-2-23 to Dt 27-2-23)

Objective of the Activity Done:

Detailed Report:

- On the Ninth day of first day, I have observed and learnt about the Renal profile test.
- The Second day, I have observed and learnt about the Renal profile test
- On the third day, I have observed and learnt about the Renal profile test.
- The fourth day, I have observed and learnt about the Renal profile test.
- On the fifth day, I practised the Renal profile test.
- The Sixth day, I practised the Renal profile test.

ACTIVITY LOG FOR THE TENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry in the hospital	I observed the CSF fluid test	Q
Day - 2	I attended to the biochemistry in the hospital	I observed the CSF fluid test	Q
Day - 3	I attended to the biochemistry in the hospital	I observed the CSF fluid test	Q
Day - 4	I attended to the biochemistry in the hospital	I observed the CSF fluid test	Q
Day - 5	I attended to the biochemistry in the hospital	I practised the CSF fluid test	Q
Day - 6	I attended to the biochemistry in the hospital	I practised the CSF fluid test	Q

WEEKLY REPORT

WEEK - 10 (From Dt 2.8.2-23 to Dt. 6.3-23)

Objective of the Activity Done:

Detailed Report:

- On the Tenth week of first day, I have observed and learnt about the CSF fluid test.
- The Second day, I have observed and learnt about the CSF fluid test.
- On the third day, I have observed and learnt about the CSF fluid test.
- The fourth day, I have observed and learnt about CSF fluid test.
- On the fifth day, I have practised about CSF fluid test.
- The Sixth day, I have practised about CSF fluid test.

ACTIVITY LOG FOR THE ELEVENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry lab in the hospital	I observed the Serum Creatin test	(A)
Day - 2	I attended to the biochemistry lab in the hospital	I observed the Serum Creatin test	(A)
Day - 3	I attended to the biochemistry lab in the hospital	I observed the Serum Creatin test	(A)
Day - 4	I attended to the biochemistry lab in the hospital	I observed the Serum Creatin test	(A)
Day - 5	I attended to the biochemistry lab in the hospital	I practised the Serum Creatin test	(A)
Day - 6	I attended to the biochemistry lab in the hospital.	I practised the Serum Creatin test	(A)

WEEKLY REPORT

WEEK - 11 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

- On the Eleventh day week of first day, I have observed and learnt about Serum Creatin test.
- The second day, I have observed and learnt about Serum creatin test.
- On the third day, I have observed and learnt about Serum creatin test.
- The fourth day, I have observed and learnt about Serum creatin test.
- On fifth day, I practised about the Serum Creatin test.
- On the sixth day, I practised about the Serum Creatin test.

ACTIVITY LOG FOR THE TWELVETH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the biochemistry lab in the hospital	I observed about fluid test	@
Day - 2	I attended to the Biochemistry lab in the hospital	I observed about CSF fluid test.	@
Day - 3	I attended to the biochemistry lab in hospital	I observed about CSF fluid test.	@
Day - 4	I attended to the Biochemistry lab in hospital	I observed about CSF fluid test.	@
Day - 5	I attended to the Biochemistry lab in the hospital	I observed about CSF fluid test	@
Day - 6	I attended to the Biochemistry lab in the hospital	I observed about CSF fluid test.	@

WEEKLY REPORT

WEEK - 12 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

- On the first day of Twelfth week, I have observed and learnt about the fluid test.
- The second day, I have observed and learnt about the fluid test.
- On the third day, I have observed and learnt about the fluid test.
- The fourth day, I have observed and learnt about the fluid test.
- On the fifth day, I have practised about the fluid test.
- The sixth day, I have practised about the fluid test.

ACTIVITY LOG FOR THE THIRTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the Biochemistry lab in the hospital	I observed the process of blood sample collection.	Ⓐ
Day - 2	I attended to the Biochemistry lab in the hospital	I observed the process of blood sample collection.	Ⓐ
Day - 3	I attended to the Biochemistry lab in the hospital.	I observed the process of blood sample collection	Ⓐ
Day - 4	I attended to the Biochemistry lab in the hospital	I observed the process of blood sample collection	Ⓐ
Day - 5	I attended to the Biochemistry lab in the hospital	I practised sample blood collection.	Ⓐ
Day - 6	I attended to the Biochemistry lab in the hospital	I practised the sample blood collection.	Ⓐ

WEEKLY REPORT

WEEK - 13 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

- On the first day of Thirteenth week, I have observed and learnt about the blood sample collection.
- The second day, I have observed and learnt about the blood sample collection.
- On the third day, I have observed and learnt about the blood sample collection.
- The fourth day, I have observed and learnt about the blood sample collection.
- On the fifth day, I have practised sample blood collection.
- The sixth day, I have practised sample blood collection.

ACTIVITY LOG FOR THE FOURTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I attended to the Biochemistry lab in the hospital	I observed the sugar profile test	Ⓐ

Day -5	I attended to the Biochemistry lab in the hospital.	I practised the Renal profile test	@
Day -6	I attended to the Biochemistry lab in the hospital.	I practised the Renal profile test	@

WEEKLY REPORT

WEEK - 15 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

- On the first day of fifteenth week, I have observed and learnt about the Renal profile test.
- On the second day, I have observed and learnt about the Renal profile test.
- On the third day, I have observed and learnt about the Renal profile test.
- On the fourth day, I have observed and learnt about the Renal profile test.
- On the fifth day, I practised the Renal profile test.
- On the sixth day, I have practised the Renal profile test.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Interns work environment is one of the report of interns quality addressed in their report.

Interaction with the people in the medical department with the people in hospital. They are very supportive and encouraged us very well.

In hospital so many facilities are available which are very helpful to the patients. I have an interaction with the professors and teachers; I have learned so many things about the medical department. They teach us every management process and also art team work and how to socialize with patients. Free management is available in the hospital and the money for the treatment is also free of services for the poor people.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are some technical skills, how I have acquired from this internship.

I had learned to hold communication and build relationships with the people worked with me. I learned that every department has its own culture. I have learned the blood sample collection technique in the laboratory.

I observed and learnt about the process of Centrifugation and its importance in the laboratory. As, I kept learning all the tests in the biochemistry lab, I learned the importance of the accuracy and also, I am able to learn how to analysis the data.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skills, I had acquired in this internship. I learned how to effectively deal with the people and developing managerial skills is more important to all professional as a learner.

I planned about dealing with respect to some people for the interaction and we arranged our work place culture for productive use of time.

We have kept notes for the observation. I had an discussion about all pros and cons in our working style.

As per the final day, I have discussed about our performance is upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

I have improved my communication skills in this internship at the Government General hospital in SriKakulam.

I have allotted to the Biochemistry department. As , I have been interacting with the teachers and lab technician students as per the work. Daily ,we have an interaction with the people in the hospital which has improved my communication skills.

I have an interaction with the patients in hospital on their disease, which has improved my understanding others and also oral communication skills. One week,I allotted to the Sample Collection ward which improves my anxiety management and improved maintaining niceties and greeting, closing the conversation.

Describe how could you enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The government has taken a big decision in implementing the technology in Medical department system to amplify digital transformation of hospitals.

I have been enhance my abilities in this internship. In this period of time due to the group discussions and classes were taken by the teachers to enhance our knowledge and we are practising practically in the hospital. Once in a day they have arranged group discussions for the patients health care.

I have also participated in the team work conducted by the department heads in the hospital. In the form of team only we practised and participated in several activities like sample collection and the form given to the patients in this we have to check and tell to them. In this way we enhance our abilities and knowledge and communication skills.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The government has taken a big decision in implementing technology in medical department system to amplify transformation of hospitals.

The Government General hospital in Srikakulam department of vascular and endovascular surgery at government general hospital offers treatment for various conditions related to vascular system.

Our exceptional team of specialised and advanced health care technology deliver the best treatment outcomes for each patient that they are able to live a happy healthy life.

* Patients with the best healthcare

* Innovative medicines

* Advanced technology

* Treatment for a healthy life style

Student Self Evaluation of the Short-Term Internship

Student Name:	R. Nonika Divya	Registration No:	2022001123025
Term of Internship:	From: 27-12-22	To: 29-3-23	
Date of Evaluation:			
Organization Name & Address:	Rajiv Gandhi Institute of Medical Science (RIMS), GGH Balaga, Srikakulam.		

Please rate your performance in the following areas:

Rating Scale: Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
2	Written communication	1	2	3	4	5
3	Proactiveness	1	2	3	4	5
4	Interaction ability with community	1	2	3	4	5
5	Positive Attitude	1	2	3	4	5
6	Self-confidence	1	2	3	4	5
7	Ability to learn	1	2	3	4	5
8	Work Plan and organization	1	2	3	4	5
9	Professionalism	1	2	3	4	5
10	Creativity	1	2	3	4	5
11	Quality of work done	1	2	3	4	5
12	Time Management	1	2	3	4	5
13	Understanding the Community	1	2	3	4	5
14	Achievement of Desired Outcomes	1	2	3	4	5
15	OVERALL PERFORMANCE	1	2	3	4	5

Date:

Signature of the Student

Evaluation by the Supervisor of the Intern Organization

Student Name: R. Lakshmi Durga Registration No: 31210142425

Term of Internship: From 07-12-22 To: 19-3-23

Date of Evaluation:

Organization Name & Address: Rajiv Gandhi Institute of medical
Science (RIMS), Gurukulam

Name & Address of the Supervisor
with Mobile Number

Please rate the student's performance in the following areas:

Please note that your evaluation shall be done independent of the Student's self-evaluation
