**Objective of the Activity Done:**

surveying & collecting demographic data

**Detailed Report:**

In this second week, we continued surveying

The remaining houses in Rottavalasa village our survey had ended in the weekend.

When compared to first week, we had lot of experiences with with villages while conducting survey in community.

The experiences are:-

- Communities are still believing superstitions
- They do not have awareness on the social media news. They are following and knowing fake news.
- During survey we have seen only small children, elders aged above 30 years and old aged people.
- Many young people are went to far places for education and employment.
- Still people are living in segregations as per their are who dont communities in habitat.
- There are who dont work, but leading their life with pension amount provided by government.
- Agriculture, cattle rearing & daily waged work are sources of income.

## WEEKLY REPORT

WEEK - 3 (From Dt. 25/05/23. to Dt. 02/06/23.)

### Objective of the Activity Done:

Project implemented in community

### Detailed Report:

In this third week, we have implemented our project in Rollavalasa village. This implemented project included explaining government welfare schemes, village development goals, ways to start small businesses in the community, Agriculture and Irrigation information.

We motivated people about the strength or unity among themselves. We explained them the type of soil in that village and the type of crops to grow in which season.

We found communities should need awareness on some aspects so that they can change their minds and steps towards community development.

E-waste management camp conducted to bring the awareness on villagers about the need to development of all aspects of society to remove superstitions, science camp was conducted to bring the technology into rural areas. Digital in Rural campaign also conducted and awarded them about importance of technology in daily life.
