Short-term and long term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

Sollutions for the Problems of Singannapalem.

1. Proper drainage system should be laid in village.
2. As many old aged and few middle aged people in village are not doing any work. If any work is provided them as per their capabilities, the productivity increases and it tends to raise the village economy.
3. Some streets are not having street lights.
4. Government should take necessary action to end the illegal land dealings by brokers in this village.
5. Some people are living in very poor situation. Volunteers and Asha workers should motivate and guide them about health and hygiene.
6. I have never seen municipality workers to sweep the main roads in village and draining cleaning and bleaching the dirty areas.
7. Heavy loaded trucks are passing through this village from burja rice mill. It damages the road in village. Recently government laid new CC Roads as the old ones.

Describe the problems you have identified in the community

Problems in Singannapalem:-

1. Proper drainage system is not there.
2. There is a high chance of floods of this village during gets filled with rainwater and surplus water was flows into village.
3. There is a chance of drought in case of continuous lack of rainfall. As the tank is only major source of irrigation.
4. Treatment of upperclass community people with lower class people is not fine.
5. Estate business brokers are buying village lands and laying ventures. It leads to interrupt the decrease the village customs & welfare.
6. There is a monopoly of single community on whole village.
7. There is no general store in village since villagers have travel to 2 to 3 kilometers to town for the purchase of needs.
8. Villagers are still following useless superstitions.
9. Some of the villagers are not using toilets and practicing open defecation.
