ACKNOWLEDGEMENTS

I have taken efforts in this project. However it would not have been possible without the kind support and help of many individuals and organizations. I would like to extend my sincere thanks to all of them.

I am highly indebted to (K) M. Shokore for his guidance and constant supervision as well as for providing necessary information regarding the project and also for his support in completing the project. I would like to express my gratitude towards my parents for their kind co-operation and encouragement which helped me in the completion of my project. My thanks and appreciation also go to my teammates and to the people who have willingly helped in the act with their abilities.

At last I end up by expressing my special thanks, gratitude and thanks to village people for giving me such attention and time to take information.
