## CHAPTER 5: OUTCOMES DESCRIPTION

Details of the Socio-Economic Survey of the Village/Habitation. Attach the questionnaire prepared for the survey.

### Socio - Economics survey of muddada

"muddada" village is economically and society stable village. The economic conditions of village are very fine of everyone owned own house. does work of leaving 1 to 3 families are struggled financially as of their physical disability villagers have acres of land, cattle, to axes etc. The villages socially fine that villagers have coordination among them.

#### Questions are used in this survey:-

1. what is your family size?
2. How many males in your family, their ages and literacy status?
3. How many females in your family, their ages, and literacy status?
4. what is the source of income to your family?
5. Is the house you are living is owned or rented?
6. Is your family joint or nuclear family?
7. Is there another source of income?
8. why are you not doing any work?  
(if unemployed)

Describe the problems you have identified in the community

## Problems In muddada village:-

1. Proper drainage system is not there.
2. There is a high chance of floods of this village. during ~~it~~ gets filled with rainwater and surplus water was flows into village.
3. There is a chance of drought in case of continues lack of rainfall. AS The tank is only major source of irrigation.
4. Treatment of upper class community people with lands and laying ventures. It leads to interrupt the decrease the village customs & welfare's.
5. Estate business brokers are buying village lands and laying ventures. with lower class people is not fine.
6. There is a monopoly of single community on whole village
7. There is no general storey in village since villages have travel to 2 to 3 kilometers to town for the purchase of needs.
8. villages are still following unuseful superstitions.
9. some of the villages are not using toilets and perfecting open defecation.

Short-term and long term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

### Solutions for the problems of muddada:-

1. Proper drainage system should be laid in village
2. As many old aged and few middle aged people in village are not doing any work. If any work is provided them as per their capabilities, the production increases and it tends to raise the village economy.
3. Some streets are not having street lights.
4. Government should take necessary action to end the illegal land dealings by brokers in this village.
5. Some people are living in very poor situation, volunteers and Asha workers should motivate and guide them about health and hygiene.
6. I have never seen municipality workers to sweep the main roads in village and draining, cleaning and bleaching the dirty areas.
7. Heavy loaded trucks are passing through this village. From Iqbal Rice mill, it damages the roads in village. Presently government lays new cc roads as the old ones.
